MAKE THE TIME

Special moments beg to be done
 Times that should be second to none
 Oh, but I never make the time
 So busy is that schedule of mine

Special moments they beg to live
 They only ask our time to give
 Special time I'll have no more
 Important are my tasks and chores

I find the time for my things to do
 And can't find time to spend with you
 My life will truly be in prime
 When I start to make the time

President Bonnie Theil

Letter from the GAVA President

Happy Spring!

I hope everyone had a great St. Patrick's Day and, "Happy Easter".

I would like to welcome the new GAVA board members, Donna Walston, Tom Farkas and Jeff Hunt, and I am looking forward to working with all the GAVA Board Directors.

The new Officers are: Bonnie Theal (President), Bob Lyttle (Vice President), Jeff Hunt (Secretary), Ken LaMarca (Treasurer) and Board Members at Large, Charlie Freeman, Donna Walston and Tom Farkas. Thank you for taking the time to serve as our Board of Directors.

For those of you that do not know me, I have been a resident of Gull Aire for the past 6 years and was elected to the Board in February 2017. This past year I have served as your Treasurer. Becoming President is a big undertaking for me, and I hope to serve all the residents of Gull Aire to the best of my ability. With this great Board beside me, I am sure we will be able to do so.

In February, the former took the time to look at smoking in the Pool area. We chose the South East corner for smokers, as the best area to try to keep both smokers and non-smokers happy. We are sure this will be the best solution for all concerned.

The wall at Gull Road and Curlew has been approved to be rebuilt and should be done soon. We have the original company doing the repair and they have the same bricks, so this should look the same when completed.

Bonnie Theal
GAVA President

MESSAGE FROM THE SOCIAL CLUB

April already? Is someone messing with the calendar? I thought we just had a New Year's Party. Oh well, time sure flies when you are having fun. And fun we had on our cruise February 25 to March 4.

The *Allure of the Seas* was an amazing ship. The Allure had a central park with live trees and plants. The boardwalk was just like a fairground complete with a carousel. A zip line, wave pool, miniature golf, and a rock climbing wall were some of the outside activities. With so many activities and Broadway quality shows it was impossible to get bored. Gull Aire was well represented at the Karaoke bar contest. Richard Clark, Dave Hite, TC Hite and Sue Van Vessem were among the twelve finalists. Richard Clark won with the best stage performance. What a showing. There were so many contestants to choose from and Gull Aire had the biggest showing. Give a big hand to our singers for their impressive performance. All our travelers came back very happy and with good stories to tell. There is a group picture of all our travelers on the bulletin board.

April will be another busy month. *We just can't slow down!* Koffee Klatch will be on the 7th & 21st. Come on down and socialize with your friends and neighbors. Karaoke will be on the 14th & 27th. This will be a good time to show off your singing ability.

Dance the night away at our Spring Fling on the 21st. You will have a good time dancing to the music of our era.

Don't forget game night on the 28th. Enjoy various games with your friends.

April is the month we have our Farewell Party for our snowbirds. This will be held on the 7th. This is a good time to say goodbye to our northern friends and wish them a safe journey back home. We will miss them over the summer.

Another cruise is being planned for next year. Everyone had such a great time this year that they want another one. I am getting all the particulars for a cruise on February 2 - 9, 2019. It will be on the Royal Caribbean *Rhapsody of the Seas* sailing from Tampa to Key West, Cozumel, Belize City, and Puerto Costa Maya. I will have a sign-up sheet on the bulletin board for those that are interested. Let's have another fun cruise.

On March 6th we had our annual election of officers. The following officers were reelected – Dale Mathurin President, Barbara Drawbaugh Vice President, Diana Lutch Treasurer along with our newly elected Secretary Eva Joline. We look forward to working with Eva. On behalf of the board members we thank you for your vote of confidence. We will continue to work hard to provide everyone with exciting events. We would like to thank Donna Walston for her help this past year. Donna did an outstanding job as secretary.

Please keep checking the bulletin board and Gull Aire web site for upcoming activities and for any changes.

As always – *think young, think fun.*

Dale Mathurin, President

Computer Class

It is with regret that I announce that the Computer Class will be canceled indefinitely.

For the past several years Eric Mills has volunteered, free of charge, to bring us up to date on the latest technology, teach us safe computing, help us find "lost" files, and much more. Due to an employment change he will no longer be available to meet with us.

We thank Eric for his time and his expertise. If you would like to wish him well in his new endeavor, please send him an email at icebergwaltz@gmail.com.

OLDSMAR CARES FOOD DRIVE RESCHEDULED Sat., April 7, 2018

Our annual food drive has been re-scheduled for the above date, between the hours of 10:00 am to 12:00 noon. Our many teams of volunteers will be knocking on all doors asking for any non-perishable food item or paper products. You are asked to place your donation in a plastic bag and leave it by your side door. Please do not put it at the end of your drive or on your sidewalk because that is the same day as our garbage collection and we do not want your donation to be picked up in error by the garbage collectors.

Oldsmar Cares is a non-profitable organization that helps our fellow Oldsmar residents who may need help with food items, clothing, or paying rent or utilities. They are always very appreciative of our annual collection. And don't forget, we have a purple basket in the clubhouse where you can place a donation any day of the week and Anne Marie LeBlanc takes the items to their facilities.

Medicare Scam Alert

Medicare will begin a yearlong project to mail replacement Medicare cards, no longer using our social security numbers, beginning April 1, 2018. THERE IS NO NEED TO DO ANYTHING!

Scammers are calling people to advise them to pay between \$5-50 for a “temporary card”. They are asking for personal information, bank account and credit card numbers. **DO NOT comply.** The card will simply be mailed to you.

- ✓ Medicare will never call you unless asked to by you.
- ✓ Medicare sends all correspondence by mail.

Please be sure to spread the word to friends, adult children who may help you, and family who may be impacted by this.

Gull Aire Day Trippers

VINEYARD TRIP AND TASTING

Clermont, FL

GAV Day Trippers are returning to Clermont's wonderful winery. It has been quite a while since our past trip to Lakeridge Winery (which was highly successful).

Date: Saturday, April 14, 2018

Time: 9:30 a.m. (meet at the club house for carpooling, last-minute instructions, and distribution of maps)

CUT-OFF DATE FOR SIGNING UP: Monday, April 9, 2018 (for headcount)

Complimentary Tours and Wine Tasting begin with a 12-minute video presentation which shows the growing of the Florida grapes, to the wine making process, and finishing with the bottling and labeling. Your personal Tour Guide will then show you the production area and the spectacular view of the vineyards where the grapes are grown and harvested. The wine tasting is held at the large tasting counter. A selection of award-winning wines ranging from dry-to-sweet and sparkling is usually offered. The winery tour and wine tasting will last approximately 45 minutes. Afterward we can browse the large retail area/gift shop featuring all the Lakeridge wine, gourmet foods such as fine olive oils, a variety of salad dressings, assorted cheeses, crackers, gourmet mustards, salsas and hot sauces. They also present many other gift items and wine accessories for the home wine enthusiast (i.e. cork pullers/foil cutters, bottle coolers, stemware racks, picnic sets, customized T-shirts and hats, as well as a variety of cook books and wine reference guides).

Following the winery tour, we will carpool to the Texas Roadhouse restaurant, also located in Clermont, for a "Dutch" lunch. The menu includes a variety of selections to choose from and prices are very reasonable.

I HEARD IT AT THE POOL

I heard that at our Annual Meeting in February that the spouse of a candidate was counting the ballots? This can NOT be true.....can it?

Research: No this did NOT happen, and according to two Board Members, Ameritech would never allow this.

This reporter was a part of the six-member resident team who did open many envelopes and count the ballots/votes. Votes were counted in the open in the back of the clubhouse by the pool table. Some older residents may remember that years ago the votes were counted in the kitchen, with the door closed!

Rest assured that great care was taken in the tabulation, with Ameritech personnel watching and stopping the counting process on more than one occasion to make sure the two people at each table were in agreement. About a third of the way through this tedious process the votes needed to be recounted and then again about three quarters through another audit verified the numbers.

Each, and every, vote counted and is appreciated. Also appreciated are those who run for a Board position, especially those residents who have given it more than one shot.

Rumors about issues, NOT people, whether heard at the pool or not, are gladly investigated. Send an E-mail to gavreporter53@gmail.com

A HISTORY MINUTE

This month of April marks the 14th anniversary of the traffic signal being operational at the main Gull Aire Village entrance.

During the month of June in the year 2000, a road project was completed that expanded Curlew Road from two lanes to six. GAV Board members and Oldsmar City officials beat the drums for a traffic signal at SR584 (Curlew) and our entrance. Sadly, a 42 year old disabled woman from Bayside Villas was killed in 2002 while crossing from the shopping center on a scooter. The teenage driver involved was not held responsible but was most distraught.

This may have been the impetus needed to bring the light to fruition. Finally, in April 2004 the traffic light ribbon-cutting ceremony was held. Pictures and a summary are posted in the Clubhouse History display case located just to the right of the kitchen door.

Comments and suggestions are appreciated gavreporter53@gmail.com.

Dryer Vents

When was the last time you had your dryer vents cleaned? Can't remember? Depending on how often and how many loads dryer is used each time, dryer vents should be cleaned at least once each year. Dryer lint is highly flammable and poses a fire hazard in your home. Cleaning the lint filter in your dryer is not enough; the lint hose from your dryer to the outdoor vent needs to be cleaned. Cleaning the vent hose will not only maintain dryer efficiency but will help prevent the appliance from breaking down. It could also prevent a serious fire in your home.

Some warning signs:

1. Dryer time for clothes takes longer and longer
2. Clothing and outside of dryer are very hot.
3. You notice a burning smell when you run your dryer.
4. The vent hood flap doesn't open properly when dryer is running.
5. Longer than one (1) year since your last inspection (depending on your use of dryer).

The cost of an inspection/cleaning is minimal considering the cost of a fire and possible loss of life.

"WONDER"

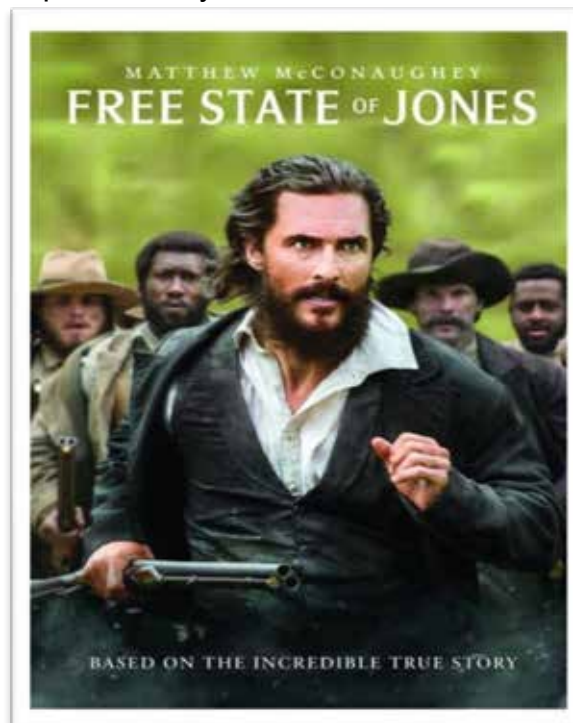

This movie is based on the beloved best-selling novel. Wonder follows the inspiring story of the Pullman family, whose youngest child, Auggie is a boy born with facial differences. When Auggie enters the mainstream elementary school, for the first time, his extraordinary journey unites his family, his school, and his community. This proves that you can't blend in when you are born to stand out. Oscar winner Julia Roberts, Owen Wilson and Jacob Tremblay star in this heartwarming and uplifting film. This movie is rated "PG".
