The Board of Directors has been busy working on various projects during the past month. The clubhouse leak and the gutters have been fixed. The library has been updated. In addition, the pool deck will be cleaned and sealed along with the front entrance. This is scheduled to start on January 7 and will require the pool to be closed for approximately a week. Thanks to Tom, Charlie and Mary-Etta and her team for taking on these projects. In addition, the Board would like to thank Jeff Hunt and Bonnie Theal for their service to GAVA. We are very grateful to the many residents who volunteer to help make Gull Aire a wonderful place to live.

We would like to remind everyone that no signs of any kind should be placed on any resident's property without their permission.

When residents need to borrow tables for yard sales, before removing them from the clubhouse they will need to arrange, with any board member, for pick up and return. Chuck, our maintenance man, will no longer be doing this.

We hope that all will enjoy a safe, happy peaceful holiday season.

Superior Heating and Cooling Management has been in business over 20 years, BBB Rating of A+, over 20 technicians to insure prompt, courteous and professional service.

As we head towards the end of 2018, we find that we now take the time to reflect on what we have to be thankful for. We have a beautiful community, some of the friendliest people we know of, and enough activities to keep us young at heart. December brings reflection of the past and hope for the future.

Over the past year your Gull Aire Village Social Club has worked hard to find new and entertaining events for your enjoyment. To end the year, we planned a few events that we are sure you will enjoy.

The 1st will start with Koffee Klatch at 9:00am during which we will have Christmas Music performed by Musical Chairs. Following Koffee Klatch we will have another Shed Sale.

Chapter FL1-M of the Gold Wing Road Riders will have their annual Lighted Motorcycle Parade. This is always a sight to behold. The work they put into the decorations is unbelievable. I always look forward to seeing them. They will start the parade about 6:45pm but you may want to come down early to view the motorcycles up close.

This year's Ornament Exchange will be held on the 8th at 1:00pm. This is a fun event that you will want to attend. Who knows, there may be a special guest that afternoon. To end the day on the 8th there will be Karaoke at 7:00pm. Sunday the 9th at 2:00pm Mike Breton will be showing a movie "The Christmas Tree". Bunco will only be on the 10th at 6:30pm. The 14th has Karaoke at 7:00pm. The 15th is Koffee Klatch at 9:00am.

Our annual Christmas Golf Cart Parade is on the 16th at 6:00pm. Decorate your golf cart with a Christmas theme and join the parade. Even if you do not want to decorate your golf cart you are welcome to participate in the parade. The more golf carts the merrier. On the 17th our famous carolers will be out serenading you with Christmas songs. If you want them to stop at your house, please sign the notice on the bulletin board.

Just a reminder, please make your payments for each event by the deadline that is posted. This will help us plan and make purchases on time for that event. Thank you for your cooperation and participation.

To end the year 2018, we will have our New Year's Eve dance. It will be another great show like last year with our own Richard Clark performing. You will enjoy all the great music and dancing till the wee hours of the morning. Let us celebrate ending 2018 and bringing in 2019 with a lot of fun. *See you at the party!*

December 25th is Christmas. Let us celebrate this Holy day with family and friends and let us look forward to 2019 with hope and joy in our hearts.

Our next Social Club Meeting is December 4th at 7:00pm. As always, keep checking the bulletin board and web site for any additions or changes.

From your Gull Aire Village Social Club, we wish you a very Merry Christmas and Happy New Year.

CHAIR VOLLEYBALL!**

The only way to be healthy is to stay active and "Laughter is the best medicine," You now have the opportunity to do both, all while sitting in a chair. Sound too good to be true? Come and play and you'll be hooked.

When playing the game, residents split into two teams with 6 players on each team. The goal is to get the beach ball over the net, but there's a catch; you must stay seated during the entire game. Sometimes you'll want to stand up or kick the ball, but you can't. Just like a normal volleyball game, the players cover part of the court, rotate positions and serve the ball.

We were advised that Gull Aire will have a bye for the first play date at home on Nov. 12th and 14th. Serendipity, who were scheduled to play had to withdraw from The Big Ten League. Leave it to us shufflers, we will play one way or another. Our President, Jack Smith and his crew had scheduled a "Hossollar" Tournament and lunch for Mon., Nov. 12th. Results of that will be in the January issue of the newsletter. Changes to the Big Ten League have been reviewed and more information will be in the next issue.

Welcome to our new shufflers. As always, any volunteers to help keep our courts in the best condition are also welcome.

"I put my mother recently in Palm Gardens for rehab after a broken hip. Their CNA's, Nurses, Rehab and entire staff were the most helpful and accommodating to anything I asked. They all work as a team. The building inside and out is cheerful and airy and their dining rooms for patients and family is like going out to a fancy restaurant. The chefs make delicious and nourishing food for all. If you are contemplating where to go for rehab or even as a permanent resident, Palm Gardens would be a good choice." AW

Dear Residents:

I really enjoy helping you, but if you don't receive a call back from me that day it's because I couldn't understand your last name and you forgot to give me your phone or house number. (I still live in the dark ages with no caller ID, don't need one) Please call me back again. I really want to help you. Thank you, Ann

Things A burglar won't tell you:

- Its raining, you're fumbling with your umbrella, and you forget to lock your door-understandable. But understand this: I don't take a day off because of bad weather.
-
- Do you really think I won't look in your sock drawer? I always check dresser drawers, the bedside table, and the medicine cabinet.
-
- Helpful hint: I almost never go into kids' rooms.

In the Village*

Monday, December 17, 2017

6:30 pm meet at the club house

Do you like to sing? Here is your opportunity to tune up your pipes and join us as we stroll the Village to bring a bit of Christmas Cheer to our friends and neighbors. We know that there are some beautiful voices out there attached to bodies that have difficulty getting around. We encourage you to bring your golf carts and share with those not able to walk the distance. Start warming up your voices and join us as we brighten the season for our friends and neighbors.

A sign-up sheet will be posted, in the clubhouse, for interested Carolers.

If you would like to have the Carolers stop to your house, you will also find a sign-up sheet in the clubhouse or you may call:

Ed and Marianne McCaffrey have found their home at 483 Trout Lane. They come to us from the "cold country" of New Jersey and Maine. Both are retired and enjoy our Florida sun. Welcome!

Fran and Herman Goh bought their home at 298 Tarpon Lane and are from Palm Harbor, FL. They have one pet, "Minnie Goh", a five-pound Yorkshire Terrier. They both work but still find time for many interests and hobbies, including, art, acting, face painting, mime, roving characters and clowning.

Paulette and Curtiss Jacobsen purchased their home at 236 Pelican Dr., N. They come to us from Summerfield in the "Villages". Both are retired and have numerous hobbies and interests. Some of which are cards, bingo, crafts, water and chair exercises, line dancing, musical theater, travel, shuffleboard and bocce. They sure keep themselves busy.

Please extend a warm welcome when you see these new neighbors in our community.

GRANNY'S ATTIC 2019

It is on Saturday, February 16th from 8:00 am to 12:30pm. This is our big fundraiser for the year. It helps us keep the cost of dinner dances down and enables us to do some free events. If you have not attended one in the past, check us out. Please come and support your Social Club.

Black Coyote in GAV –

At approximately 10 pm on Wednesday, Oct 31st, a resident was walking her small dog on Pelican Drive East. Another resident noticed there was something following the woman and her dog. It became evident that it was a black coyote and both residents, and their animals, proceeded into a screened lanai. The animal didn't hesitate to follow them all the way up to the driveway. The animal finally left the area after they waved a bright light into its face. I live on Dove Terrace West and at 1 am on Friday, Nov 2nd, my dog was growling and I thought she had to go out. She went out her doggie dog into her enclosed area and started barking furiously. We immediately activated the outside light and I saw the "tail end" of the coyote running from my back patio.

Animal lovers should take extra precaution when walking their dogs as this animal has also been seen on Trout during the daytime. Cat owners should seriously consider if it is worth having your animal roaming the community at night, knowing this animal is obviously looking for any type of prey.

I researched the Pinellas County Animal Services and they DO NOT trap and relocate coyotes. Their websites suggest that, if you encounter the animal, to use negative reinforcement. Make sure they know they are not welcome by making loud noises, throw something at them or spray with a garden hose. It is also recommended NOT to use a retractable leash but keep your dog closer to you. Also carry a large stick to intimidate the animal if it approaches. (https://www.pinellascounty.org/animalservices/coyotes/deter_coyotes.html)

It is also recommended that, if the animal becomes a threat, a local trapper should be hired to remove the animal from the area.

We need to be **extremely vigilant** as this particular animal doesn't seem to be intimidated or hesitant about approaching humans.
