Welcome back to our many friends from "up north" and elsewhere. We're still experiencing some very hot Florida weather but the cooler weather from the north will gradually be making its way south. Looking forward to a very pleasant winter season. Sure beats shoveling snow.

Chuck, our maintenance person, has been retired for two months now and we had decided to expand the responsibilities of Checkered Pool services and hired Emily Mathurin to take care of the clubhouse. Checkered is doing a good job with the pool and we have gotten many compliments on how clean the clubhouse has been.

We have made many improvements in and around the common grounds this summer including replacing many of the signs in front of the clubhouse and pool area, extending a portion of the sidewalk on the north side of the clubhouse to accommodate residents with handicaps, replacing two of the A/C units as well as adding surge protection to the electrical system.

There have also been some changes with the City of Oldsmar regarding permits for new installation of windows and doors as well as changes to the rules for cutting down trees. Please review the notices regarding these in this newsletter.

Due to the Thanksgiving and Christmas holidays we will not be having a general meeting in November or December.

Attention Gull Aire Residents

The City of Oldsmar requires contractors or residents to obtain a permit for all window and door replacements. The reason for this is to verify the product approvals for the windows and/or doors, verify the contractor's license/insurance and reporting purposes to the Pinellas County Property Appraiser any improvements to the property.

The City of Oldsmar requires a window/door compliance letter from your contractor upon completion of the job to close your permit. This compliance letter is a notarized document stating the contractor installed your windows and/or doors per the manufacturer's specifications. If the permit is being pulled as an "owner builder", the homeowner is responsible for providing the letter of compliance to the City.

If you feel your windows and/or doors have not been installed correctly please contact your contractor first.

Your residence may or may not require an inspection.

If an inspection is required your contractor will need to make arrangements with you the homeowner for the inspection as someone is required to be at the home.

Inspections are performed Monday – Friday. You may call our office at 9:00am the day of your inspection to find out the timeframe for your inspection.

813-749-1121 or 813-749-1124

Please note that the Building Department is unable to schedule exact appointments for inspections, we can only give a general window timeframe for it to be completed.

NOTICE

The City of Oldsmar has made changes to removing down. As of July 1, 2019, you do not have to get a permit from the city, but you must have a Certified Arborist stating the tree can be taken down. You will need to supply their license number and information so the city can verify it. Contact the Plans & Permits Dept. at (813) 749-1121

Also, there have been many questions on what can and cannot be done to individual homes and landscaping. Please take a few minutes to refresh your understanding of GAVA Rules and Regulations as well as the Covenants. These can be found on our website: www.gullairevillage.org under the documents tab.

Essentially, you must submit an application for ANY changes or improvements to the outside of your home as well as landscaping.

SOCIAL CLUB NEWS

Welcome to October, the start of fall weather. Do not ask because I have no idea where it is. By the old calendar, things should be cooling down by now. Oh well, I guess this is what they mean by "out with the old and in with the new".

Our fall lineup of events should keep everyone busy and happy. At our October 5th Koffee Klatch we will have Don Myers make a presentation on the new Medicare Changes. This presentation will be very important as it affects everyone. We hope you will come and enjoy fellowship with your neighbors and friends and learn about the new changes.

On October 12th we will have the Godfather Show. What an enjoyable evening you will have listening to this hilarious show. You will be laughing from the beginning to the end. Be sure to sign up early because it will fill up fast.

The fun does not end there. October 26th we have our Halloween Dance. Wear your scariest costume and dance to the music by the "Sequels". On the 27th we have our annual Golf Cart Parade. Decorate your golf carts in the scariest way you can and join the parade throughout our community. Even if you cannot decorate your golf cart, join us anyway. The more carts we have going around the more fun it will be. There will be prizes for the best-decorated golf cart.

I know it is early, but I want to let you know about our Murder Mystery Dinner on November 9th. The theme will be "Trailer Park Tragedy". Everyone will dress as if you live in a trailer park. Everyone attending will have a part in this mystery. Sign up as soon as the sheet is on the board and get your part. Everyone's part is different. Oh, what fun this will be.

Do not forget our chair volleyball on Sundays. Bingo on Wednesdays. Karaoke, Bunco and Game night are other activities throughout the month.

Gull Aire Village is an active community. We strive to provide you with enough varied activities to make you feel happy and young. Please join us at these activities, enjoy fellowship with friends and meet new neighbors.

See you there!

Dale Mathurin, President
