FLORIDA ANCHOR AND BARRIER COMPANY

It was a very busy 2019 with new pool and air conditioning equipment installed, and many repairs made to the pool and clubhouse to keep everything running smoothly. It was also a busy year with social club events providing many fun activities. Thanks to Dale Mathurin and his team for doing a great job. Thanks also go out to Alice for doing a great job in the office and Emily for keeping the clubhouse in tip top shape.

The current board of directors' term expires with the February meeting. We are expecting three vacancies for the board. Ameri-Tech will be mailing a meeting and election packet announcing the openings and requesting applications be submitted for those who want to run for the board. Candidates will have an opportunity to address the association at the January meeting.

Bob Lyttle and Donna Walston will not be running for re-election. Both deserve a big thank you for the huge contributions they have made while on the board. They have put in many hours and days working to keep Gull Aire a wonderful place to live. Gull Aire would not be what it is today without the work put in by all members of the Board of Directors..

A Very Happy New Year to Everyone,

GAV Board of Directors

Can you believe it is already 2020? Well, that proves the adage *"Time Flies When You Are Having FUN"*. And fun we had last year. With all the dances, cookouts, and shows, how can you keep track of the year? Speaking of shows, Gull Aire Village had its first Murder Mystery Dinner in November. This dinner was an overwhelming success, thanks to the Director, all the actors and especially our audience who, to a person, dressed the part and participated.

Already 2020 is shaping up to be just as active, starting with Evening of Sophistication on the 11th. This will be a night for dressing up and dancing. The Social Club Pancake Breakfast will be on the 18th at 9:00am followed by Night at the Races at 7:00pm. It will be a busy day where you can go out to breakfast followed by a sports event. Where else can you do this but at Gull Aire Village. January's fun is not finished until you enjoy our annual Bingo Extravaganza on the 25th.

Don't forget about our Koffee Klatches, bingo, bunco, chair volleyball and all the exercise classes we have for you.

As you can see, we are starting the year off with a busy month. This is just the beginning. Wait until you see what else we have planned for your entertainment, 2020 will go by just as fast as last year. So, sit back – *wait!* - don't sit back, come on down and enjoy all the entertainment planned for you. You will be glad you did.

See you there!

Dale Mathurin, President

An Apology in Advance

Due to the illness of Alice Szczur, our wonderful Birthday/Anniversary and New Resident lady, we have been unable to access the records for the month of January. We apologize in advance to those who are affected. We do wish you all a HAPPY BIRTHDAY AND HAPPY ANNIVERSARY. We will publish both January and February lists in the February issue. Thank you for your understanding.

**BOCCE BALL**

Hope everyone had a good and healthy holiday season. The Bocce Ball Monday and Thursday organized team play is up and running and those involved are having a fun and good social time, however we need substitutes that we can call if someone cannot make it on the day they are scheduled to play. You do not have to be an experienced player or maybe you have never played before, it is an easy game and fun to play. If interested give me a call (Gene Henriksen 727 421 6614)

On a more serious note, during the Thanksgiving weekend someone rode their bike on the Bocce courts and did serious damage to the court surface. The product used for the surface is the same as used on outdoor tennis dirt courts and it is expensive. This may have been someone from outside the park, if you see something like this happening call me or one of the directors.

What are you waiting for??? It's not too late

to be a part of the Silly Spring Fashion Show. We are still in need of models, helpers and some fun-loving men also. Come on snowbirds, join the fun. There is a sign-up sheet posted on the bulletin board.

We will be having our **first meeting**, of all who have offered to be a part of the "production", on **Monday, JANUARY 6th, in the clubhouse at 7 pm.**

If you are hesitant about signing up, because you do not know what would be expected of you, feel free to call us for more information.

SAVE THE DATE

It is on Saturday, March 21, 2020 from 8:00 am to 12:30pm. This is our big fundraiser for the year. It helps us keep the cost of dinner dances down and enables us to do some free events. So if you have not attended one in the past, check us out. Please come and support your Social Club.

We are in need of small appliances, hardware, linens, lamps, kitchen items, jewelry for the jewelry booth, furniture and other items. Go through your closets, cabinets, drawers, sheds and garages to see what you no longer need. NO TV's or computers please.

For pick-up of items be donated to Granny's Attic contact the shed manager Ken Foster

“RULES OF THE ROAD”

GOLF CART DRIVERS- (according to City Ordinance F.S. 316.212(*)).

According to the City of Oldsmar ordinances, pertaining to golf carts driven on city roads (which includes all Gull Aire Village roads):

it is unlawful for a person to drive a golf cart as to impede or block the normal and reasonable movement of traffic. It is the duty of the operator of a golf cart to **allow other motor vehicles to proceed** at the lawful speed on such streets”.

Just to clarify - when you observe a motor vehicle behind you, golf carts should **move to the right of the road** to allow those vehicles to safely pass. The streets in our Village are narrow which makes it difficult for any vehicles to safely pass a golf cart, that sometimes is being driven down the CENTER of the road. It has been mentioned several times, that our golf cart status is a PRIVILEGE granted by the City and it may be **WITHDRAWN AT ANY TIME** should residents ignore or violate City rules.

BICYCLE RIDERS - (according to State Statue 318.18 and 316.2065(7))

According to the State of Florida Bicycle Laws -

Bicycles are considered vehicles under Florida Law which means while driving on the roads, you have a duty to obey all traffic rules and regulations too! These laws include **STOPPING AT STOP SIGNS**, using **LIGHTS AT NIGHT**, and **YIELDING** the right of way when entering any road, using hand signals before making a turn.

Bikers **MUST** ride as closely as practicable to the right-hand curb or edge of the roadway. If riding two abreast, riders must stay within a single lane. Riding more than two abreast is never allowed except on designated roadways for bike use only.

As a general rule, it is legal to ride a bike on a sidewalk, but riders have all the same responsibilities as pedestrians. They must yield the right-of-way to any pedestrian while on the sidewalk or crosswalk and must “audibly” signal before passing the pedestrian.

In our Village, it has been observed, that a FEW bike riders do not even slow down, or observe any oncoming traffic at the intersections. They just look straight ahead while maintaining their speed, as if in defiance of any oncoming traffic - some do not even have mirrors! The State LEGAL PENALTIES could include moving violations of \$60 and the rider may be deemed negligent and liable for civil damages.
