30 YEARS EXPERIENCE

Family Owned & Operated

Senior or Military Discounts

Although we can see some light at the end of the tunnel (Coronavirus) we must continue to take baby steps until we get there. We were allowed to re-open our pool on April 30 but with restrictions from Pinellas County and the GAVA Board of Directors. As we are allowed to gradually start returning to our normal activities we should continue to take all of the precautions possible to keep everyone in our community safe, and we will continue to be in constant contact with the City and County officials concerning COVID-19.

During these trying times it becomes a lot easier to realize just how fortunate and lucky that we are to live in Gull Aire Village as our friends and neighbors become even more like family. I ask that we all continue to practice safe distancing and remember that this too will pass.

I would like to remind everyone of our speed limit in our village as I have received several complaints of people speeding and I am asking for everyone whether it is automobile, golf carts or bicycles to slow down and adhere to our speed limit and remember that safety should be first and foremost for all our residents.

It appears that a large number of our residents are making repairs, painting and or sprucing up their properties and I just want to remind everyone that any changes or repairs to the exterior of your property including driveways needs to have the approval of the architectural committee.

Stay Safe

Thank you, Doug Campbell

Socializing Safely

This "safer-at-home" theory is not really true. It may be safe from possible infection, but not safe for relaxing. Emily found so many projects that I thought we were rebuilding the home. For two and a half months it was nonstop work. *It was seven days a week.* I think she thought I was in my 20's. The other thing is, I have had to resort to using Emily's curling iron. How embarrassing.

Well on to Gull Aire Village. On May 8th we held a spontaneous "Dancing in the Street" function. This dance was to break the monotony from being cooped up in the house for so long. It was held in the parking lot using the stripes as guidelines for separation. All those that joined us had a GREAT TIME. We all shook the cobwebs out and socialized again. There was not one person without a smile on their face.

We hope June will be open by the time you receive this newsletter. Activities for June will include Bingo on Wednesday nights. Koffee Klatch will be on the 6th and 20th this month. It will be a good time to start socializing with friends and neighbors again. Our Gull Aire singers will perform on our 12th and 26th Karaoke nights. Let's all come on down and cheer them on. Anyone can join them in singing. On June 20th we will have our Potluck Dinner. See the detailed information on this event in this newsletter. This promises to be a delicious and fun filled night. Our Pancake Breakfast and Night at the Races that was originally for May will now be held on June 27th. Both events have always been enjoyed by all.

June may be a little slow in activities. We will have to gradually introduce people to socializing again. I think most of us have forgotten what it was like. Take it slow now because July we start getting busy again.

Hope to see you all soon.

Dale Mathurin

Some or all the above June activities may be canceled or subject to restrictions due to the COVID-19 epidemic. Please continue to check the bulletin board and web site for updates.

SHED COMMITTEE NEEDS YOU!!

We all appreciate the ease of having our "Shed" available to store donated items, from furniture to small appliances, and etc., that we no longer need., The benefit to GAVA is the substantial amount of money that comes in during our annual Granny's Attic sale. It has become a huge community event, not only for GAVA but for our neighboring communities as well. But...what happens to the money that rolls in? It is used to subsidize our many social events that offer food and entertainment. Would you rather pay \$15 for a catered dinner and dance or \$25 or more? Would you participate as much and socialize the same without the subsidy?

Here's the problem. We need a shed manager or group of folks to form a shed committee to deal with the intake, pickup, and organization of donated items for storage in our shed. It would not be an onerous job with a small working group and would be a great opportunity to meet new residents and make new friends. Without a manager, we could be forced to close the shed and lose out on the subsidies for our events. We can still make this happen, but we need you!!

Please contact Dale Mathurin, Social Committee President, at 772-8193 to volunteer. We will appreciate it.

ALERT to Village Pet Owners

Sometime during the evening of April 11th, along Dove Terrace East, a small animal was attacked and mutilated. Neighbors found evidence of blood in the street and in the grass.

Residents who walk their dogs in the dark in this area, should be extremely vigilant of any movement around them or their pets. Suggest you carry a stick, golf club or some type of loud alarm, along with a flashlight to deter their approach. The open preserve area along the canal, is a great hiding spot for these predators to gain access into our community and roam virtually unnoticed.

If you are a resident who allows your cat to wander during the evening hours, be aware that your pet may be in great danger. Additionally, you are enticing these predators to wander thru our community looking for prey.

FRIENDLY REMINDER FROM THE ARCHITECTURAL COMMITTEE

The Architectural Committee guidelines are intended to maintain the quality, appearance and protect the values of all Gull Aire Village properties. These guidelines specify that approval by the GAVA Architectural Committee or the GAVA Board of Directors is required for any changes to the exterior of all Gull Aire Village homes and properties. Residents can access the guidelines on the Gull Aire website (www.gullairevillage.org) under documents, or they can pick them up in the GAVA clubhouse.

This month's reminder, APPLICATION REQUEST AND APPROVAL ARE REQUIRED FOR THE FOLLOWING:

FENCES: Fences must be picket style constructed of white PVC material. Fence may not exceed 48" in height. Sides of fence may not exceed the rear width of the home and the rear fence must not extend beyond the back-property line. Fencing on side or front yards is prohibited. No fencing can restrict access to utility easements or right of way. City permit is required.

OUTSIDE PAINTING: Any painting done to the outside of your home or driveway requires an application.

Thank you from your AC Committee

LIDS FOR KIDS

I just wanted to thank everyone who helped by saving their plastic lids and to share a message I received from the person heading up the program:

"Hi Penny,

OMG that is a lot of caps – Thank you so much for collecting them. You have made some kids dreams come true to get some healing. Hope you had a wonderful Easter and are staying safe!!

This year we are done collecting, but hopefully they will do this again next school year. I will let you know if they do!! Thank you again for helping these children!!

*Thank you,

- The longer this goes on, the harder it will be to return to a society where pants and bras are required!
- This is stupid. I just tried to make my own hand sanitizer and it came out as a rum & coke!
- Day 8 of social isolation and it's looking like Vegas in my house:
We're losing money by the minute.
Cocktails are acceptable at any hour.
Nobody knows what time it is.

TRIVIA ANSWER

While generally attributed to Henry Ford, the first Auto Assembly Line was used by our town's founder - Ransom Eli OLDS. Mr. Olds patented the assembly line concept and used it to produce the Oldsmobile Curved Dash vehicle at the Olds Motor Vehicle Company of Lansing, Michigan in 1901. The Olds assembly line was considered a "stationary line" while the line first used by Ford in 1913 was a "moving assembly line". Ransom Olds first tinkered with a gasoline powered car as early as 1896. His Lansing company later moved to Detroit under the Olds Motor Works name and was purchased by the upstart General Motors in 1908.

LOOKED UNDER YOUR MOBILE HOME LATELY?

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,
The Florida Anchor & Barrier Team*
