This issue of the Gull Aire Voice is being published during an unprecedented world-wide crisis, and we, along with our publisher, ONTRAC publishing, believe in staying connected in every way possible. The Social Club board and activities committee will continue to plan events for the time when we can once again meet as friends and neighbors in the pool, in the clubhouse and in public spaces. The newsletter will let you know of these plans, but they will only be put into place when our community is once again safe, and we have come to the end of our social isolation. Although we do not know how long the current situation will last we encourage you to stay informed by checking our web site (www.gullairevillage.org), signing up for NextDoor-Gull Aire Village (www.nextdoor.com) or checking for postings on the clubhouse door. If you have any questions regarding NextDoor, contact Ginny Gallagher 727-286-7291 for assistance.

Stay at home, stay informed and stay safe!

Wow, Wow, And Wow

As everyone is aware of the CORONAVIRUS and the effect that it is having on our Country, State, County, City and of course our community let me assure you that the health and welfare of our residents is, has been and will always be the number one concern for me and all of the GAVA BOARD MEMBERS.

We have been and will continue to be in constant contact with the City, County and State officials concerning COVID-19 and we have made some very tough decisions throughout the process. I want to assure you that I and the Board Members will continue to work with our community leaders and do everything that we can during this very trying time.

No one is sure when we will be able to get back to our normal activities in our lives therefore we all should take all of the precautions possible to help keep everyone in our community safe, this is a time when we all can make a difference in our community, please check on your neighbors and help when you can.

As Granny's Attic sale had to be postponed, I ask that you refrain from placing items in front of the tent or the sheds for now.

We understand that during this time of limited community activities we have many residents in our village working on home improvement projects and need to apply to and get approval from the Architectural committee. Due to the Clubhouse being closed both the guidelines and the applications are now available at the home of the committee chair Carl LaFrance at 350 Canal Way. His phone number is 727-785-1712. Carl has set up a table outside his house with the information that you will need. Once completed you can return the application to Carl and place it in the basket. He will process the application and get in contact with the applicant as soon as possible.

Stay Safe

Thank you
Doug Campbell

Message from our Social Club

I hope this letter finds everyone safe and healthy. This COVID-19 epidemic has greatly affected our everyday life. It is times like this that we find we appreciate our basic freedoms even more, our freedom to move about as we wish, to see and spend time with family and friends, freedom to gather and socialize at events. These are some of the freedoms we grew up with and have cherished. Our generation knows how we have obtained and kept these freedoms. We find the restrictions we are living under now an inconvenience, a small hiccup in our lives. We also know that at the end of this epidemic we will be able to return to

our normal lives. This also gives us an insight to the restrictions some other countries live under. Our younger generation now has an insight as to what we really have. Let us look forward to seeing and socializing with our family and friends again.

As of this writing, April 8th, we are not sure how long the "stay at home" policy will be in effect. Right now it runs to the end of April. With that in mind, we had to cancel our May 2nd Koffee Klatch and the Cinco de Mayo Dance. They were too close to the possible end of the confinement to do any proper planning and preparations for the events. For the middle of May we are planning our Social Club Pancake Breakfast on the 16th followed by the Night at the Races/Preakness Derby. At this Preakness Derby we will hold a Fancy Hat Contest. Let's see how fancy some of these hats can be.

On May 25th we will have our Memorial Service at 9:00am in front of the clubhouse. At 4:00pm there will be a cookout. The Social Club will provide the hamburger and hot dogs, just bring a side dish to share. Everyone enjoys these cookouts. The 13th & 27th bingo nights will start with hot dogs at 5:00.. Karaoke is planned for the 9th & 23rd. Game night is the 30th. Bunco will be held on the 11th only this month. Throughout the month there will be exercise sessions and card nights to fill in your time.

Please keep in mind some or all the above-mentioned events are subject to cancellation. We hope the restrictions will be lifted by the end of April. Please keep checking the web page for any changes. Your safety and health is important. Please abide by all the CDC guidelines.

See you all at the end of this unprecedented time.

Dale Mathurin

Gull Aire Veterans

Well we didn't get to meet up yet but I'm working on a project that I need each of your help on. I need you to contact me by email or phone to give me some information about yourselves while serving our country. One thing we are working on is getting a wall set up in the club house is to display pictures of you in the service. Another is a Quilts of Valor presentation. My email is peggysboys@gmail.com or phone number 304 415 2684. Peggy Allison. Elaine Jourdan is graciously helping me with this as well. It will take almost 6 months to a year to complete. Thanks for your help and if you have any ideas or questions please let us know.

Mark your calendars for June 16th at 630pm. If everything has been given the ok we will try to meet and hopefully start a great Veterans gathering. An informal event for you and your guest to come and join in the different events that we plan to schedule each month if this is something that each and every one of you are interested in. This will be about sharing stories, learning new things from the VA, ballgames, cookouts and other fun things. Hope to see you there.

Peggy Allison and Elaine Jourdan.

As you know we will be having a Variety Show (previously introduced as the 2021 Talent Show) in the Spring.

During this time when we are confined to our home, and you are sitting at home bored, try to think of something that you could do to contribute to the show. Do you sing, dance, have a skit that you could do with a couple of neighbors?

Now is the time to hone your talent and prepare to entertain us. Just give me a call and let me know what you have in mind.

How to join Nextdoor

Our community, Gull Aire Village, has a Nextdoor neighborhood. If you wish to join below are instructions taken from the Nextdoor Web Site. If you need help in joining, just contact me (Ginny Gallagher) and I will send an invitation to you to join if you give me your email address.

Nextdoor is the neighborhood hub where neighbors work together to build stronger, safer, happier communities, all over the world And, it's free.

You can join and verify in a neighborhood if you:

- rent or own a home,
- own a second home,
- own property where you are planning to build a home, or
- own a rental property in the neighborhood.

Get started in five easy steps:

1. Join your neighborhood

To connect with your neighbors, you'll need to create an account on Nextdoor. You do not need an invitation to join Nextdoor. If you did receive an invitation, please follow the instructions below and enter your code when requested.

- Visit www.nextdoor.com.
- Enter your residential street address* and email address.
- Select Find your neighborhood. At this point, one of two things will happen: (If there is already a Nextdoor website for your neighborhood, you will automatically be assigned to that neighborhood. If there is not yet a Nextdoor website for your neighborhood, you'll be given the option to create one.)
- Complete all of the required fields.

If you received an invitation to join Nextdoor, select and enter the code on the invitation letter in order to give your neighbor credit for inviting you.

- Click Sign up.
- Finally, verify your address.

2. Verify your address

Before you can gain access to your neighborhood's Nextdoor site, you must verify your address. For complete instructions, visit our article on verifying your address. If you have moved and need to verify at your new address, please follow the instructions on changing your address.

3. Confirm your email address

When you join Nextdoor, you must confirm your email address by clicking on the confirmation link that we send you in an email. Email confirmation is separate from address verification. If you do not confirm your email address right away, a red banner will appear at the top of your Newsfeed as a reminder. Eventually, you will stop receiving emails from Nextdoor altogether if you do not confirm your email address. You can change your email settings at any time.

4. Get Nextdoor on any device.

Some of Nextdoor's best uses, such as posting Crime & Safety news you just witnessed, sharing photos of items you're giving away, and looking for dinner recommendations happen when you're away from your desk. Download the Nextdoor app on your iPhone, Android, or iPad to take the power of Nextdoor wherever you go.

5. Introduce yourself

After you verify your account and are granted access to your neighborhood's Nextdoor site, you will be given the opportunity to post an introductory message, like the one below.

Hi neighbors! My name is Sally Smith and I just moved to the neighborhood. My husband, Trent, and I have 3 kids and 2 loving dogs. We love hiking and cooking. Hope to see you around the neighborhood!

You can choose which neighborhoods can see your posts on Nextdoor.

The other day someone told me that I could make ice cubes with leftover wine.

I was confused....what is leftover wine?

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Are Your Tie Downs Tight?

- **Hurricane Anchors • Tie Downs**
- **Leveling • Blocking • Carport Tie Downs**
- **Stabilizing Devices • Roof-Over Strapping**

- *Replace Rusted Anchors • Add Anchors*
- *Longitudinal Stabilizing • Retro-fit to Current State Standards*

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!
