Are Your Tie Downs Tight?

- Hurricane Anchors • Tie Downs
- Leveling • Blocking • Carport Tie Downs
- Stabilizing Devices • Roof-Over Strapping

- Replace Rusted Anchors • Add Anchors
- Longitudinal Stabilizing • Retro-fit to Current State Standards

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!

FLORIDA ANCHOR AND BARRIER COMPANY

I would like to start off by thanking Charlie Freeman, Ken LaMarca and Donna Walton for all their work on the BOD. They donated their time to help make GAV a better place during an exceedingly challenging time with Covid-19 being a constant obstacle along the way. I would also like to thank Dale Mathurin for his excellent job as the President of the Social Committee. Dale worked tirelessly to make sure all our activities were well received, and he did a great job. Thanks Dale! Replacing Dale is Peggy Allison.

As you know on March 2, 2021 residents received their second and hopefully final vaccine. This should help keep our community safe and hopefully will lead to a gradual reopening of many of the events we had to close over the past year. I spoke with the team that administered the vaccines along with the Mayor of Oldsmar as to when and how we could restart our activities, and hopefully by the time this letter has gone to print we will have begun the process.

During the last 12+ months the BOD was not able to effectively hold meetings where residents could ask questions where the BOD could respond and provide updates on specific projects etc. As a result, I would like to invite you to submit questions to the BOD by dropping them off with Alice or placing them in the BOD mail slot in the clubhouse. We in turn will do all we can to provide responses quickly. I would like to go a step further and implement this process prior to future meetings to give the BOD time to research your questions, and to give you a satisfactory answer rather than responding at the meeting without having all the pertinent information with us.

I look forward to the year ahead and hopefully watching GAV move closer to normal. When activities do re-open, please remember to apply the safe practices of wearing masks when appropriate, social distancing and washing your hands etc. to ensure everyone's safety.

Social*Club*

I cannot believe we are in the fourth month of 2021. Time slips by when there is nothing to do. With hope and a prayer, activities will start up again. April had a lot of activities planned but a few had to be canceled. So far the only activities open are Karaoke on the 2nd and 16th, Koffee Klatch on the 3rd and 17th, a movie on the 11th and the Vets Club on the 13th. The biggest event is the Aloha Party. It will be on the 3rd of April. Do not miss this lively event. Keep checking the Facebook page and the bulletin board for any changes.

As we know, every April we install new officers for your Social Club. This year I would like to introduce you to your new officers – Peggy Allison, President, Elaine Foster, Vice President, Janice DeMasi, Secretary, and Karen Collinsworth, Treasurer. I know each of these fine people and know they will keep everyone busy throughout the year.

I would like to take this time to thank the residents of Gull Aire Village for allowing me to be your Social Club President for these last four years. It has been a great experience. I would like to thank Diana Lutch, Pam Hunt, Sheila Clark and Barbara Drawbaugh for all the support you have given me over the years.

Again, thank you for the enjoyable experience.

Dale Mathurin. President

When it became apparent that the Gull Aire Veteran's group would not be able to hold a February meeting in the clubhouse, an alternative event was planned.

On February 27th a Quilts of Valor ceremony was held to honor 12 of our residents who previously served our country. I would like to thank Allison Fentress, from the Quilts of Valor foundation for seeing that the quilts were completed for the ceremony. Also, thanks to Oldsmar Mayor, Eric Seidel who arranged for the use of the Veteran's wall park to be without charge and Channel 10 for covering the event.

Vice Mayor, Katie Gannon gave an excellent speech, talking about the Veteran's wall, the expansion of the Park and mentioned applications were available for those who would like to take part in next year's ceremony. Allison Fentress talked about the Quilts of Valor project and the true meaning of the quilts, which is to "cover service members and veterans, touched by war, with comfort and healing." The veterans were thanked for their service and sacrifice for our country.

Having received quilts several years ago, Paul Allison and Lawrence Tharp were called upon to assist wrapping the following veterans with their quilts: Jeff Phillips, Ken Foster, Joe Eggleston, Lawrence Collinsworth, Dennis Strayer, Sal Chieffo, Ken Hobson, Mike Hobson, Richard Clark, Walter Stewart, Perry Burrignt and David Hite. It was a very emotional ceremony. A collection was taken, and we were able to present \$215.00 to Allison for materials and supplies for her "Patriotic Quilters" to carry on their mission. I would like to thank Elaine Foster and Janet Phillips for helping with light refreshments that followed.

The next meeting of the Gull Aire Veteran's Group is scheduled for April 13th at the clubhouse. We will be discussing the St. Pete to Tampa ferry ride and a picnic. Don't forget that we are collecting 5x7 picture of veterans, while in the service. If you have any questions, please call or send us an email. LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

Call today for a FREE Under Home Inspection

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
