On February 2, a **groundhog** is said to forecast weather by looking for his shadow. If it's sunny out, and he sees it, we're in for six more weeks of winter. On the other hand, a cloudy **Groundhog Day** is supposed to mean an early spring. **Groundhog Day** is really an astronomical holiday.

Hoping for an early and safer spring!

Message from the Social Club

February is bringing a continuation of restrictions on all our activities. We all thought that 2021 would not only be a new year, but it would allow us to start socializing again. Alas, that is not the case 😞. It is a new year but due to the increase in the number of infected people in Florida, everything we have planned is greatly curtailed.

It is that time of the year where we elect new Social Club Officers. We are trying to see if we can have a zoom meeting for March or have people stop in and fill out a paper ballot for the election. Keep checking the bulletin board and the Official Gull Aire Social Club Facebook page for information. If you are interested in any of the positions, there is a sign-up sheet on the bulletin board, or you can see Sue VanVessem or Gene Henriksen. It is a rewarding experience to serve on the board. I hope you consider serving. Your term is for one year and you can run consecutively for another three years in the same position. Your pay is the many pats on the back and congratulations you receive.

The Memorial Service that was planned to remember those loved ones we lost in 2020 is postponed. As soon as the restrictions are lifted, we will have the service.

Gull Aire Village has a reputation for being an active community. Some day we will be able to get back to living up to that reputation. Until then, keep the faith and STAY SAFE.

Every major news outlet from CNN to CBS News is reporting about the adult coloring phenomenon. What once was an activity that kept so many of us entertained as children, is now resurfacing as a trend that adults are coming to love. Therapeutic elements parents sought to keep their children calm or entertained before dinner, are now being applied to adults, to help distract them from the daily pressures of life.

That said, here are the top 7 benefits of coloring for adults:

1. Your brain experiences relief by entering a meditative state.
2. Stress and anxiety levels have the potential to be lowered.
3. Negative thoughts are expelled as you take in positivity.
4. Focusing on the present helps you achieve mindfulness.
5. Unplugging from technology promotes creation over consumption.
6. Coloring can be done by anyone, not just artists or creative types.
7. It's a hobby that you can take with you wherever you go.

LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

Call today for a FREE Under Home Inspection

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,
The Florida Anchor & Barrier Team*
