March 2021

An Irish Prayer

May God give you...
For every storm, a rainbow,
For every tear, a smile,
For every care, a promise,
And a blessing in each trial.
For every problem life sends,
A faithful friend to share,
For every sigh, a sweet song,
And an answer for each prayer.

30 YEARS EXPERIENCE

I would like to thank Mary Burrell of the Pinellas County Emergency Management for getting the vaccines and being able to inoculate our residents here in Gull Aire at our clubhouse.

I would also like to thank members of the GAVA Board for their tireless effort in bringing this all together. Donna Walston, John Monser, Ken LaMarca, Dale Mathurin (Social Club President) and especially Elizabeth Moskowitz. She took all the spreadsheets and compared them to each other to figure out the best way to proceed and get people their vaccines. She ensured everyone was contacted and given the opportunity to get a vaccine. I would also like to thank these volunteers that made the reservations: Jean Faris, Sherry Page, Mickey Stewart and Jean Stepp. These ladies also started calling residents to make the reservations along with these folks: Sal and Liz Chieffo, Ralph and Gayle Richardson, Joy LaFrance, Mush Hartford, Pat Pelletier, Deb Monser, Lorine Halevar, Maryann Sieminski, Sheila Clark, Jan Freeman, Emily Mathurin, Sandy Larson and Jack Smith. If I missed someone, I am sorry, it was not intentional. Again, my heartfelt thanks to everyone for their time and effort.

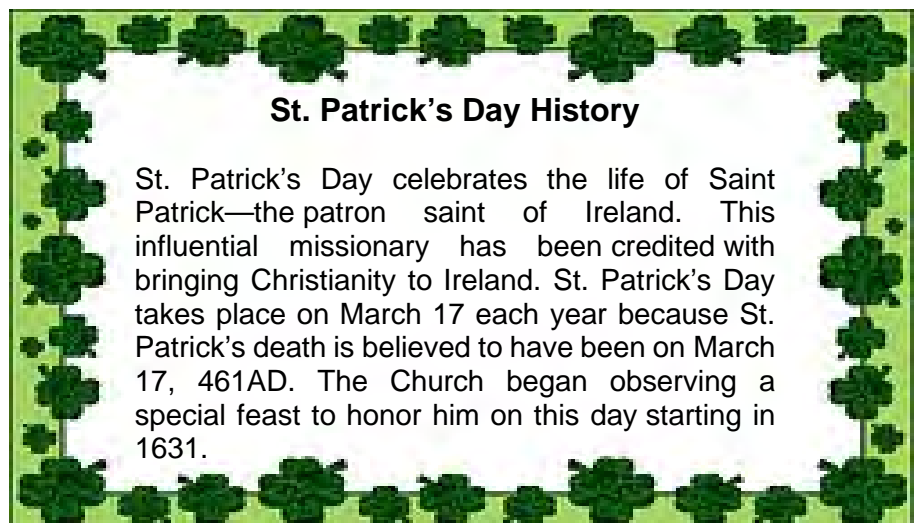

This brings me to another topic. While telephoning everyone to give out reservations, we found many residents who have no phone number or have a disconnected phone line. Please go see Alice and update your phone number. Also, residents need to update their emergency contact information. We have had situations where it was hard to get a hold of someone to let them know of an emergency.

Please note that the clubhouse will be closed at 5:00 on Monday, March 8th and all day March 9th for voting the City election.

Congratulations to our two new board members: Salvatore Chieffo and Sandy Larson. It has been my pleasure to have served on the board for the past four and a half years. I would also like to thank Ken for filling in when Doug had to leave.

As always stay SAFE!

Charlie Freeman, President

Attention

We have been asked to remind residents of the rules and regulations that govern our golf cart usage in Gull Aire. In as much as streets within Gull Aire are Oldsmar city streets it was necessary to petition the city council to designate Gull Aire a golf cart community. In 2011, the City Council approved an ordinance allowing golf carts here based on the residents' requests. At that time the only place in Oldsmar where golf carts could be driven was on the streets of Gull Aire. Since that time a second ordinance allows golf carts on some streets within the City but spells out where they will remain illegal.

1. Streets excluded from golf cart use are "streets with a speed limit of over 25 miles/hour".
2. There shall be no operation of golf carts on sidewalks, parks or other portions of city lands, the Oldsmar Trail and spurs or extensions thereof, rights-of-way or City streets except as specifically designated herein, and public golf courses and private lands allowing such use. Golf carts may be allowed during special events in City parks when approved by the City Manager.
3. Nothing herein shall be deemed to authorize the operation of a golf cart on a state or county road or right-of-way or to allow the crossing of a state or county road other than at such crossings and in such locations as shall be permitted and specified by the state, or an administrative agency thereof, or by the county. (Note: Curlew Road, as a Pinellas County roadway, cannot be crossed by golf cart by residents of Gull Aire.)

New residents are reminded that your welcome packet includes all of the rules for golf cart use that were set at the time Gull Aire was designated as a Golf Cart Community. As a reminder to everyone this document is included here.

The City designated Gull Aire Village a golf cart community as a privilege – not a right. We all need to use common sense and drive responsibly so that the City doesn't regret that decision and rescind that designation.

GULL AIRE VILLAGE has been designated by the City of Oldsmar as a GOLF CART COMMUNITY

If you choose to drive a golf cart in Gull Aire, here are the requirements:

- ~ Valid Driver's License
- ~ Horn
- ~ Rear view mirror
- ~ Reflector (front & back)
- ~ Liability insurance on the golf cart
(either as a rider to your homeowner policy or a separate policy)
- ~ All traffic laws must be observed

For those who intend to drive at night (dusk to dawn) in addition to the above requirements, your golf cart must also be equipped with:

- ~ Windshield
- ~ Headlights
- ~ Brake lights
- ~ Turn Signals (cont. next page)

Also required is a City of Oldsmar issued golf cart sticker (cost of \$10 per year) displayed on the rear bumper (driver's side). In order to purchase the sticker, your cart will need to be inspected by Code Enforcement and you will be required to show your insurance policy covering the golf cart. In order to be inspected for the sticker, you will need to call Oldsmar's Code Enforcement, at City Hall (813-749-1129) to make a mutually agreeable appointment for him to meet you at the clubhouse to inspect your golf cart and issue a sticker. Be sure your golf cart meets the above requirements and that you have proof of insurance on the day of the inspection.

Additional requirements include:

- ~ Golf cart may not be occupied by more passengers than the number of seats and all passengers must be seated – no standing in a moving golf cart.
- ~ Golf carts should not exceed 15 mph
- ~ Golf carts should not block traffic
- ~ Golf carts should be driven on the streets only – no sidewalks, grass, etc.
- ~ Golf carts should be driven on the right side of the street only
- ~ Golf carts should be driven single file only – driving abreast each other is prohibited
- ~ Golf carts are absolutely prohibited from being driven across Curlew – that restriction applies to street legal golf carts as well.

And, once again – anyone driving a golf cart must have a valid driver's license – no exceptions! The City designated Gull Aire Village a golf cart community as a privilege – not a right. We all need to use common sense and drive responsibly so that the City doesn't regret that decision and rescind that designation.

Message from the Social Club

Last month, February, was not too boring. We had a great turn out for the COVID-19 Vaccination. We had only a few days to organize it and all volunteers did a great job in setting it up. A big THANK YOU goes out to all the volunteers. 🤖 With their help, all those that wanted the vaccine received it.

In our search for candidates for Social Club Officers, several people have stepped forward. Peggy Allison for President, Elaine Foster for Vice-President, Janice DeMasi for Secretary and Karen Collinsworth for Treasurer. These four excellent candidates have no opposition, so they automatically win their respective positions. They will step into their new positions at the April Social Club Meeting,

I would like to congratulate each one and wish them great success. They come with new ideas and plans that I know everyone will enjoy.

At this writing, March activities have been canceled. Now that we have had our COVID-19 vaccination there may be some activities opening. As soon as we find out we can use the clubhouse, we will resume certain activities. With this in mind, keep checking the Official Gull Aire Social Club Facebook page and the bulletin board for any updates. We will eventually return to normal and then we can have fun like we used to have.

In the meantime, please stay safe.

Dale Mathurin

Gull Aire Vets Club

With January and February gone like the wind, it's March time already. We try to keep our veterans updated with information on our Facebook page "Gull Aire Vets and Social News."

Since Covid restrictions struck, we haven't been able to meet at the clubhouse. Before that we had some great meetings. I don't think I have laughed so hard. When we say, "we tell stories", we are talking about those funny things that happened to you while in the service. We have certainly heard some good ones. Unless the clubhouse is still closed, we are scheduled for a meeting on March 9th at 6 pm. This club is for the Veterans and we are planning a couple of events that are going to be fun. We have been giving out door prizes at these meetings as well. We have several speakers lined up for when guests can attend but, in the meantime, if allowed, come join other veterans in the group.

We are still taking applications for those interested in getting their names on the Veterans Wall at the park in the City of Oldsmar. Also, we are still collecting pictures of the veterans while in the service for our project we are working on. If you have any questions, please call Peggy Allison 304-415-2684 peggysboys@gmail.com or Elaine Foster 904-248-0083 yankiegirl4ever@yahoo.com.

Twelve Commandments for Seniors

1. Talk to yourself. There are times you need expert advice.
2. "In Style" are the clothes that still fit.
3. You don't need anger management. You need people to stop making you mad.
4. Your people skills are just fine. It's your tolerance for idiots that needs work.
5. The biggest lie you tell yourself is, "I don't need to write that down. I'll remember it."
6. "On time" is when you get there.
7. Even duct tape can't fix stupid – but it sure does muffle the sound.
8. It would be wonderful if we could put ourselves in the dryer for ten minutes, then come out wrinkle-free and three sizes smaller?
9. Lately, you've noticed people your age are so much older than you.
10. Growing old should have taken longer.
11. Aging has slowed you down, but it hasn't shut you up.
12. You still haven't learned to act your age and you hope you never will.

And one more: "One for the road" means going to the bathroom before you leave the house.

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Are Your Tie Downs Tight?

- Hurricane Anchors • Tie Downs
- Leveling • Blocking • Carport Tie Downs
- Stabilizing Devices • Roof-Over Strapping

- Replace Rusted Anchors • Add Anchors
- Longitudinal Stabilizing • Retro-fit to Current State Standards

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!
