President's letter:

I am pleased to introduce our new "pool Guy" Todd Hayward. If you were at the October meeting you no doubt heard, we have a pool expert looking out for us. Todd owned a pool business in Michigan for years and was the "go to guy" for the State of Michigan when it came to commercial pools. He has only been onboard for a couple of weeks and has already made positive changes that have improved the safety of our pool. Welcome Todd!

We also have a new board member, Gregory Stewart. You know him as "The Shed Guy" or "Stewart" as he likes to be called. Stewart is filling the vacant position left by Ralph Richardson. Welcome Stewart!

As you may know if you use the pool, the coping around the pool and spa has cracked in certain areas and needs to be replaced or repaired. The board has requested bids from 5 different companies to repair or replace both the pool and the spa coping. So far, we have 3 quotes and are waiting on 2 more. Hopefully, by the time you read this letter we will have selected one of the 5 to renovate the pool and spa.

In the October letter I told you I would keep you updated on the two spillway areas that lead to the canal. As of the writing of this letter, I do not have any added information or specifically what it will take to bring them into compliance. The engineering company that inspected both spillways is assisting us in identifying a company that specializes in repairing these types of spillways. Hopefully, I will have more to share on this project soon.

A note of caution for all residents. We have been informed that FEMA recently released updated, digital flood hazard maps that show the extent to which areas throughout the county are at risk for flooding. Some residents that were in an X zone may now be in an AE zone where flood insurance is mandatory. For further information please visit; myoldsmar.com/952/Know-Your-Flood-Risk

And finally, I just want to say Gull Aire Village is a special place to live. We have some of the greatest residents you can imagine. We sometimes take for granted just how lucky we are to live here. Not only is Gull Aire safe it offers all types of activities plus we have the city of Oldsmar with its array of events. Has anyone attended the 2nd Friday event downtown? It is free and runs from 6-10pm. The next one is November 12, 2021. Mark your calendar and check it out. As we enter fall the temperatures will become the best of the year so get out when you can and enjoy the community and all it has to offer.

Stay safe!

John Monser, President,

SOCIAL CLUB

Can it already be November? Yes, covid is still around but we have learned to live with it and once again we are enjoying the many events planned by the Social Club. Some say we have seen the End of Summer, but they must be from the North because it's Endless Summer here.

Talking about End of Summer, I forgot to mention the fantastic show that Nolan Baine and Richard Clark put on in August. I was unable to attend, but I heard that their many hours of practice made the show top notch. Nolan and Richard have been assets to the Social Club over the years. I understand that the food which was prepared by Adrienne Baine was just like mom's cooking. Also, those that helped were Linda Matheny, TC Hite, Martha Swain and Denise Baker. Thanks Diana Lutch as always for your signup sheets. I'm sorry that I forgot to cover The End of Summer Event in the October issue of the newsletter. Thanks again for making it a great evening and great success

To finish the month of September we had a great time at the Trivia Night. I want to thank the wonderful volunteers that stepped up, at the last minute, to provide the food. Our cooks that made the meal so good were Jean Stepp, Mickey Stewart, Karen Collinsworth and Phyllis Crivella. We also had volunteers to help decorate and to clean up. A shout out to TC Hite, Liz and Sal Chieffo, Shelia Clark, Paul Allison, Randy Collinsworth and Emily Mathurin. If I missed anyone, thank you for helping make the night a success. I think all those in attendance had a pretty good time answering all the questions and might even have learned a thing or two. I've had a request to have another Trivia night so we might have to work that in our already busy schedule.

At the first Koffee Klatch in October we had Anne Marie from Pinellas County once again. She gave us a very informative talk about scammers. Hope none of us ever have to deal with them but now with some guidance we can turn them off really quick. For those that haven't been attending lately you might want to join us. From time to time we have some great reference speakers and for \$1.50 you get coffee, tea, and great breakfast snacks. Hope you will join us. This is your club, and we want to make this a fun place for you to live.

As always, we have Bunco, Bingo, line dancing, yoga, karaoke, water aerobics, chair volleyball, chair exercise, Sunday movies, game night and Vets Club. Check the calendar in the club house, or your Gull Aire Voice to see what is happening around the village. Something for everyone and we are always looking for new ideas so let us know if you have a suggestion.

We hope to see you at several events, and we are always looking for volunteers to help with decorating and other things that need doing. Just let us know or sign up on the sheet in the clubhouse. The next few months will be busy with social club events so be sure to watch our Official Gull Aire Village Social Club Facebook page, the bulletin boards and come to Koffee Klatch to hear all the news.

GULL AIRE VETERANS' GROUP

The veterans' group has had a great turnout at the last few meetings. For October we were able to have a Zoom meeting with the Pinellas County Veterans Organization. It was a very informative meeting. For November, we plan to meet on the 9th, 5:30pm at the Veterans Park in Oldsmar. Please bring your chairs, drinks and snacks will be provided. This will be a time to look at the names on the wall and to sit around and tell those wonder stories all while enjoying the view. This will be 2 days before Veterans Day and what a better place than at the Oldsmar Veterans Park. If it is raining, we will meet at the clubhouse. It's about being together. Bring your spouse or guest with you.

I hope that you enjoy spending time with other veterans and learning about their jobs while in service. I know that I have learned so much about the jobs performed in the military. We are always looking for other veterans to join our group. We have had some awesome speakers and others are on our list to attend. In December I believe that we are all going to go out to enjoy a blessed meal together.

Peggy Allison. Contact me if you have any questions.

THANKSGIVING PET FOOD COLLECTION

Saturday, November 13th

12:00 noon to 3:00 pm

Dear Residents,

The Paws-ativity Dog Group is sponsoring the Third Annual Thanksgiving Pet Food Collection on Saturday November 13th. Thanksgiving is that time of year when we all give thanks for the blessings, we are so fortunate to have, and that includes our furry friends. Unfortunately, during donation time, animals are often overlooked. Our collection last year was highly successful, and we continue to increase our donations each year we sponsor the drive. We are always grateful for the support this community provides for this worthy cause.

Please feel free to drive by the Southwest corner of the Clubhouse area between the hours of 12:00 and 3:00pm on the 13th with any food donations (dogs and cats) you would like to contribute for area rescue groups and Oldsmar Cares.

If you are unable to come by, please call one of the numbers below prior to the 13th and we will be happy to provide pick-up service for your donation. Thank you in advance for your continued support and contributions. We wish you and your families a safe and wonderful Thanksgiving.

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,

Are Your Tie Downs Tight?

- **Hurricane Anchors • Tie Downs**
- **Leveling • Blocking • Carport Tie Downs**
- **Stabilizing Devices • Roof-Over Strapping**

- *Replace Rusted Anchors • Add Anchors*
- *Longitudinal Stabilizing • Retro-fit to Current State Standards*

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!
