## FLORIDA ANCHOR AND BARRIER COMPANY

### President's Letter

I would like to start off by thanking everyone who helped with the February BOD election especially the candidates who raised their hand and volunteered to run for the board. Prior to the election, I contacted residents and asked them to volunteer to count votes and work the election, I had a great response. Thank you all!

It is great to see everyone enjoying the pool. Please ensure you have your pool badge when at the pool or if you have guests, ensure they have one. If you misplaced or lost them, see Alice for a replacement. If you are wearing a bandage, please do not enter the spa or the pool. I would also ask that if you move chairs around the pool deck that you return them to their original location when you leave the pool area, so Emily and/or Todd do not have to spend their morning moving them back and straightening them up.

The board is exploring upgrading our current camera system and has received a couple of quotes. We will decide on which quote fits our needs best and hopefully move forward with the upgrade. We are also having the lawn sprinkler system repaired as it has developed a few leaks in the water lines and some defective sprinkler heads.

As many of you are aware, a representative from Ameri-Tech rides around the community each month checking for violations to ensure all residents are following our rules and regulations. If a violation is identified, a "friendly reminder" is mailed to the owner. I want everyone to know a friendly reminder is just that. A letter to make you aware of something that needs your attention. If you receive one of these letters and want a clarification or have a question, please contact a board member. If you as a resident see something that you feel is in violation, do not contact the owner as the board in most cases is already addressing the issue and we do not need to pit neighbor against neighbor. The best thing we all can do is look around our home and make sure everything is in good order. Clean up any clutter you might have around your home. We had a freeze this year and many plants have suffered. If you have dead plants replace them or remove them.

And finally, April is the month many of our snowbirds will leave for the summer. Be safe as you head north, and I look forward to seeing you in the fall.

John Monser

A big THANK YOU to Kim Robinson-Morgan for stepping forward to take on the April issue of the Gull Aire Voice during my absence. Also, thank you to Maryanne Sieminski for giving her support and back up. If not for these two volunteers this issue would not have happened. I hope that everyone appreciates their effort to keep the Gull Aire news at your door and will thank them in person when you meet up with them.

## SOCIAL CLUB NEWS

The activities committee and volunteers have been busy the month of March. For those that have not had a chance to help at any of our events, please sign up on the sheet in the clubhouse or let anyone of the committee members know. It really is a lot of fun, and you can meet lots of friends.

The Social Club was excited to bring to you The Ed Sullivan Show at the end of February. They came all the way from a cruise ship on their way back to their home performance stage of Myrtle Beach SC. We were even able to get a signed poster and maybe a chance for another show in the future. We are always trying to bring new ideas and entertainment for your enjoyment.

The first Spring Fling with Brad, Richard and Chuck went off with great success with dancing on the floor all night long. You could smell all the different aromas of food that everyone brought to enjoy with their friends.

The BINGO Extravaganza was another fun event, it was a packed house. Besides enjoying the play of numbers and a wonderful lunch which was provided, many left with more money than they came with, that was awesome!

The Saturday morning Koffee Klatch has picked up in numbers lately and we hope that it continues to grow. Where can you go and get coffee, tea and delicious breakfast feasts for \$1.50, plus a chance for 50/50. One can meet friends, chit chat away and catch up on what the social club has in store for you.

If you haven't noticed, we have been drawing names each month for volunteers of the month, to post on the board by the office. So far, we have had Diana Lutch, Phyllis Crivelli, Sheila Clark and Phyllis Henrikson. Each month a volunteer will have a chance to have their name drawn.

For all the new residents of Gull Aire, we welcome you to come out and join us at any of the events. Check the newsletter, the official Gull Aire Village Social Club Facebook page, the calendar in the clubhouse and your [gullairevillage.org](http://gullairevillage.org) website. There is something going on every day by the Social Club. Remember we sell hotdogs and other good food on Wednesdays before BINGO.

Their prices are reasonable. They have the lift truck to reach the very tall palms. Their clean-up is excellent. Call them...and they will come to your home. See what you need done and give you a price. They are happy to do small jobs as well. (It was \$50 to trim my tall palm)" BC

## Veteran Group

K-9's Pinellas County Sheriff Office will be at the clubhouse on April the 19th at 6:30pm. Unless they are called away for an emergency situation, the Veterans Group will be honored to have a Pinellas County Sheriff K-9 officer and his dog in attendance. The Gull Aire Village is invited to attend and listen to how expensive it is to obtain these dogs, the training they go through and what they do each and every day. There will also be a demonstration of an attack, of how the handler makes his commands and the dog responds. Do I have any volunteers? Just joking, I'm sure no one would want those teeth anywhere on their body. Hope to : the clubhouse on the third Tuesday of April at 6:30pm.

## Thank You Gull Aire

I would like to thank all the wonderful people who came out to help with Granny's Attic. A great group of people showed up to help with putting up the tents for the furniture, moving all the tables and chairs, unloading the sheds, making pick-ups at homes, setting all the items on the tables and pricing them, everyone who donated items to sell and donations for our raffle and cheer baskets, and the ones who showed up Saturday for the sale. A BIG THANKS goes out to our shed guy Stewart who without him collecting everything we wouldn't have had anything to sell. Also, a BIG THANKS to Phyllis Crivelli who spent hours and hours getting all the gift cards from different businesses.
