President's Letter

I would like to begin by asking if you read the article in the current edition of Experience Oldsmar? On page 13 there is an article about Gull Aire Village which shines a positive light on our community. After reading it I believe I may know who wrote it, Kenn Sidorewich? Whoever wrote it they did an excellent job!

The board has received requests to fill both the vacancy on the board and the vacancy on the AC Committee. We should have both positions filled by the time this letter goes to print. I would like to thank those residents who raised their hands to be considered.

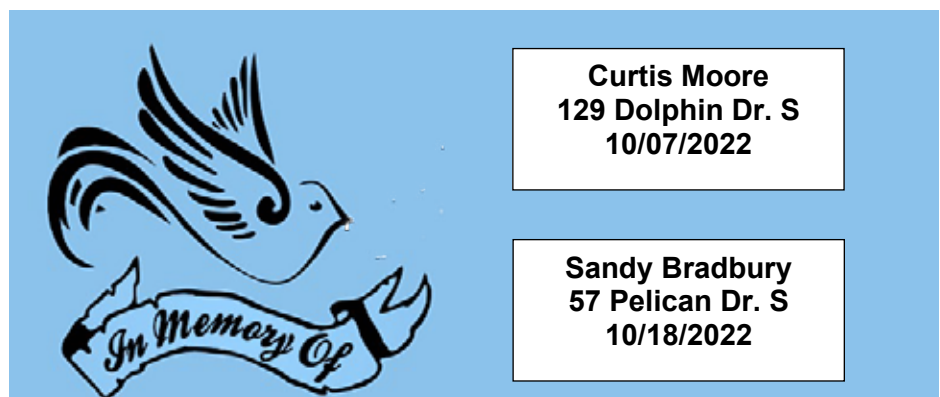

We had the security cameras realigned a few weeks ago and a camera added to the pool area to ensure better coverage. We found we had some areas that were difficult to view so we requested the company come back and make minor adjustments.

So, you are aware, the city made a couple of errors in our water bill. In September we received a bill for over \$6800.00! Then in October we received another bill for just over \$4400.00! The city is crediting us for their errors, but let this be a lesson, it pays to watch your utility bills closely!

I would like to remind everyone of the importance of obeying the speed limit and driving safely in the community. As the days become shorter it can be more difficult to see residents as they go for nightly walks, and we do not need anyone getting injured. Also, if you own a golf cart, please make sure your lights work and take the time to become familiar with our golf cart rules. And make sure you have an Oldsmar city sticker properly displayed on the rear of your cart.

Hope everyone had a Happy Thanksgiving!

John Monser, President

NOTES FROM THE SOCIAL CLUB

Did you get your letters written to Santa? I sat on his lap and told him I wanted a new car. Think I will get it? I have been a good girl this year...right? Well, we had a great response on the Oldsmar Toy drive. Oldsmar Cares is always so happy every time Gull Aire brings them anything from toys to food to clothes. We have big hearts!

The Thanksgiving Dinner again was a success. How can you ever go wrong with turkey and dressing? Also, several of our residents were treated to an anonymous meal for some reason or the other. Another example of our residents having big hearts. Don't forget that the Christmas dinner is just around the corner, and you need to have it paid for by the cutoff date.

Before I go further, many people volunteer to do little things around Gull Aire that go unmentioned. Maryann Sieminski takes pictures at the dances and other functions. Did you know you can see them on the Gull Aire website? We want to thank her for her time and dedication to this. Talking about volunteers, we have too many to mention by name when it comes to the Arts and Craft Fair but a few really need to be thanked are Vicki Mills, Mickey Stewart, Joy LaFrance and Mush Hartford. They were the main organizers who got everything up and running months ago. Now, I cannot forget to mention our dynamic duo chefs Sal and Liz Chieffo. They prepared the meals for everyone for purchase. Their soups and sandwiches were raved about last year and offered again this year.

The Social Club has the New Year's Dance on the 31st and it is always one of the highlights of the year. Also keep looking at Facebook and the bulletin board for other announcements. The Red Skelton Tribute Show will be here on January the 7th and new year of 2023 looks to have some other great entertainment for all of the Gull Aire residents. We will keep you posted.

Peggy Allison, Gull Aire Social Club President

As the year draws to a close, I want to thank each and every one on the Gull Aire Voice team who has dedicated their time and talents to help me prepare and distribute the newsletter each month. Without your help and support I would not be able to keep up with this task. So to our contributors, proof readers (sometime editors/critics), event leaders (who send me their information), birthday and anniversary sleuths, calendar creators, and the distribution team, I give you a big **THANK YOU** and wish you all a ..

Very Merry Christmas and a Happy New Year

Veterans Meeting

There will be no veterans meeting this month, but we would like to get together for dinner like we did last year. It was great getting together and sharing stories and laughter. Please call me at 304-415-2684 if you are interested. We could meet at Daddy's grill on Monday December the 12th. Paul is having surgery the next day so that's the only time available for us. We had a great time last year so call me so we can see how many are available. I will be discussing the Quilts of Valor program and upcoming events for 2023.

Do you know what the Sunshine 811 is?

Have you ever noticed the small different colored flags in someone's yard? Did you know you can get fined \$250.00 for each one you remove?

The Sunshine 811 is not a rule and does not have the force and effect of law. It is a call center and educational resource for Florida's excavators, underground facility owners and operators, and any other stakeholders wanting to prevent excavation damage to underground facilities.

If you, the landowner, have these on your property or easement, you or your lawn maintenance personnel are to mow around these flags. Never should they ever be removed or replaced except by authorized personnel. This is information that was stated at the City of Oldsmar Citizens Academy.

- Red - Electric, Power, Lighting
- Golden - Communication
- Yellow - Gas, Oil, Steam, Petrol
- Green - Sewer, Drain lines
- Dark Blue, Potable Water
- Purple = Reclaimed water, Irrigation, Slurry
- Pink, Temporary survey markings
- White - Proposed Excavation

Always make sure 811 has been called before any digging.

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,
The Florida Anchor & Barrier Team*

Are Your Tie Downs Tight?

- Hurricane Anchors • Tie Downs
- Leveling • Blocking • Carport Tie Downs
- Stabilizing Devices • Roof-Over Strapping

- Replace Rusted Anchors • Add Anchors
- Longitudinal Stabilizing • Retro-fit to Current State Standards

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!

GRANNY'S ATTIC

Saturday, February 25, 2023 from 8:00 am to 12:30pm. This is our big fundraiser for the year. It helps us keep the cost of dinner dances down and enables us to do some free events. So, if you have not attended one in the past, check us out. Please come and support your Social Club. Come for coffee, donuts, lunch, and meet your neighbors!

We are in need of small appliances, hardware, linens, lamps, kitchen items, jewelry, and other items. Go through your closets, cabinets, drawers, sheds and garages to see what you no longer need. NO TV's, computers, computer items, books, microwaves, plastic water bottles, please.

We will be having our Bakery Booth, Jewelry Booth, Cheer Basket & Raffle Baskets, Major Raffle, 50/50 drawings, Food, and much more.

We will be looking for all the great bakers for our bakery booth. So, get out your old recipes and dust them off. Bakery items can be dropped off on Friday while we are setting up or early Saturday morning.

Stop by in the morning for coffee and donuts and later for lunch or stay all day.

Your major raffle tickets will be included in your January newsletter.
