We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

HOA President's Letter

This month will mark two years that I served on the board for Gull Aire. It has been a pleasure yet at times difficult to accomplish all the things this board has wanted to do. Soon we will have a new board and I wish them success.

One of the biggest challenges this year was getting TECO to come out and repair the power lines so our pool heaters would work again. I cannot remember a time when I had put so much energy into something with so little results. I want to thank the other board members for their help and especially Greg Stewart who helped me daily in pushing for a resolution.

As of the writing of this letter there has not been a date scheduled for repairing the pool coping. We have signed the contract and have made a down payment. I am sure everyone would appreciate a little time to enjoy the pool prior to closing it after all the TECO delays. I will let everyone know once we have a confirmed date.

This month is our Annual Meeting, and a new board will be elected. As you know by now the current board met and prepared a new budget for 2022. We were faced with many challenges and raising cost estimates from our contractors. No board wants to raise the monthly fees but this year it was inevitable to cover all our expenses. This new budget should allow the new board to successfully maintain Gull Aire and keep our community looking its best.

We had the Omicron virus infect a few of our residents so I will remind you to be safe. Wash your hands and only attend activities if you feel safe in doing so. Omicron is very infectious and seems to hit the vaccinated as well as the unvaccinated so don't think you are safe because you had all your shots. If you do get sick stay home and isolate until your symptoms are gone. Currently the CDC recommends staying isolated for 5 days once you test negative.

And finally, if you own a golf cart don't forget to renew your Oldsmar sticker. Each year you are required to purchase a new one. You will need proof of insurance and \$10.00 to obtain the new one.

Thank you and stay safe.

John

All new driveway extensions require a building permit and a right-of-way permit

- There is a special paver driveway right-of-way permit (The city has this)
- Driveways which have a paver driveway built prior to December 2021 can be grandfathered with a permit which indemnifies the city. (The city needs this to be filled out by all those that are affected.)

All individuals planning projects need to go to the City of Oldsmar and Pinellas County websites to review what permits are needed to proceed.

Social Club News

January was off to a rocky start with that old thing called COVID. Luckily this one seemed to be a little less hard on the body than the first strain that went around. A few of our activities were canceled but things should be up and back to normal for February. We are looking for volunteers to help in decorating for some of our scheduled events. Each event has a chairperson, but additional help is needed. with decoration, clean up, and many other things. It doesn't take a lot of time, but you will be contributing to the community and get to know others in the process. We are always looking for help and we won't turn anyone away.

Groundhogs Day ushers in February. Let's hope Punxsutawney Phil doesn't see his shadow so we can jump right to spring and summer here in Florida. But no matter what, we have a great Valentine's dinner/dance planned in February and we are planning a Spring Fling, and St. Patrick's Dance in March. April will bring our Aloha Party and a new event An Enchanted Evening. We just want to give you plenty of notice as this will be a chance to get a bit fancy and attend a second prom (or the first if you missed the first time around). Ladies now is the time to shop the thrift stores and clearance racks for just the right outfit. The Music Box Duo will be playing for us, so plan on dancing the night away. There will be door prizes and a time to visit the days of our youth. More information to follow.

Grannie's Attic, our biggest fundraiser, is just around the corner. I can't express how much we appreciate all the help from the many volunteers (we can always use more.) We are looking for all the items that you are no longer need and wish to donate. "Stewart the Shed Guy". has graciously stated he will stay and assist with this event, after which his replacement will be found. We are now looking for just about anything you need to get rid of except old TVS, Books, Computers, and things of that nature. So, start the spring cleaning early and give Stewart a call (727- 420-6565) and let him know that you have a donation.

Election of the new Social Club Board will take place in March. David Pacheco and Gene Henriksen are serving on the nominating committee and will be asking for people to fill the slate of officers. If anyone is interested in running for a position, please let them know. The nominees will be posted on the Clubhouse Board sometime in February. The meeting in March has been moved to the second Tuesday, March 8th, 2022 at 7:00PM. Elections will be held that night. The elected officials will be sworn into office in April of 2022 at the GAV Social Club Meeting.

We are planning a few different things in the next few months. We are teaming up with the shuffleboard players to play a game of "Hoss Collar". You don't have to know how to play but it sounds like great fun. This will be a great day to get out, meet new friends, learn a new game and have some lunch. Hope that everyone will come out and join us. We are working on some other new ideas for games and maybe plan a picnic at a park. So, make sure you are connected to our Facebook page and "sometimes" hearing things at the pool are true.

Peggy Allison, President

VETERANS GROUP

Our Veterans group will be meeting at the clubhouse on Tuesday February 15th at 6:30. We are privileged to have, as our guest, the Sheriff of Pinellas County ----- Sheriff Bob Gualtieri. Sheriff Gualtieri began his law enforcement and public service career as a detention deputy working in the Pinellas County jail in 1982. After attending the police academy, he joined the Dunedin Police Department as a patrol officer and later rejoined the Pinellas County Sheriff's Office as a law enforcement deputy. Over the next 15 years Sheriff Gualtieri served in many different components of the agency, including several years conducting domestic and international drug trafficking investigations as part of a DEA task force. He has a law degree and practiced private law. We will have the opportunity to ask the Sheriff questions about our safety, emergency needs and any other question than you might want to ask. All Gull Aire Residents are invited to our veteran's group for this meeting.

To Gull Aire

Please help me welcome our newest residents.

I heard that the Historical Society in town was going to disband since they have no activities and very few members. Can this be true?

Research: The Oldsmar Historical Society, organized in the 1990s has been rather inactive regarding activities, but the museum, located in the Bank Building across from City Hall, is still open on Tuesdays and Thursdays from 10A until 2P and on City Council meeting nights from 6-7P.

The OHS has been hampered by a lack of membership and volunteers but they are not disbanding. IF you would like to learn more about OHS membership or volunteer opportunities contact MaryAnn at tcats2@icloud.com or 813-716-7434.

Service to the Citizens

Since 2015, I've been working hard to PROTECT Oldsmar! During our city's crucial development era – residents' concerns need to be heard and valued. After watching the overdevelopment complications in other cities – we need to ensure SMART GROWTH!

TOP PRIORITIES INCLUDE:

Vibrant Downtown

Build a downtown that develops economic opportunities and attracts vibrant businesses while preserving Oldsmar's hometown feel.

Honoring Veterans

Support those who have served

I learned the importance of serving our country from my father, a U.S. Coast Guard Veteran. Our company, Impact Grafx, is a proud partner of the Oldsmar VFW Auxiliary #12186, supporting their marketing efforts to promote patriotism and build membership.

Continuous Improvements

Community Event Space

Stay focused on supporting the arts and building a community theater.

Protect our Environment

As a member of the FLC Utilities, Natural Resources & Public Works Committee, we are addressing environmental issues, such as rising waters, protecting our trees, and reducing plastic pollution to keep our water clean.

Transportation

Establish safe, efficient transportation options. I voted YES on PSTA board for 80 new electric buses to serve Oldsmar and Pinellas County.

Proudly Endorsed by:

"Dan Saracki is the Oldsmar Firefighters choice for Mayor. Dan will put the safety of Oldsmar's citizens first."
