ENDORSED BY OLDSMAR'S LAST 3 MAYORS

From left to right: **Mayor Beverland, Mayor Ronecker, Mayor Bevis, Mayor Seidel**

The Gull Aire Village Committee to Re-Elect Mayor Seidel

John Monser Paul Allison Frank Chicollo Terry Sage
Deborah Monser Peggy Allison Nancy Chicollo Christine Yoh

Citywide Issues:

- **Keeping Taxes low.** The Mayor has kept our tax rate from raising here in Oldsmar and is committed to keeping the 20-year+ plus trend of no increases.
- **Finish building a walkable downtown.** It's important to finally deliver on this promise, but it should not be done on the back of the Taxpayers.
- **Save the Bay.** New Local citizen programs to improve our Bay will continue to be an emphasis.

Important to Gull Aire Village:

- **Provide safe access to the Oldsmar Trails,** including a resting spot to enjoy the water view.
- **Continue regular communications with the Gull Aire's leadership** on how the city can best help the community to stay safe during Covid.
- **Remain committed to serving the Gull Aire Village community needs.**

President's Letter

President's Letter – Happy New Year! It is the time of year people make New Year's resolutions and try to stay with them. It is also the time of year we can look ahead and plan how to help others. I always thought if everyone would set out each day to do one nice thing the world be a better place.

This past year was a challenge with issues we had with the pool and the spa. It was extremely frustrating dealing with TECO. I quickly learned how inept a power company can be and how they are more interested in passing the buck than fixing a problem. On the bright side we did get the electrical outlets around the outside of the clubhouse repaired. They are now safe to use. We had the walkways in front of the clubhouse pressure sprayed and cleaned. Flowers and plants were planted in front of the clubhouse and at the entrance to Gull Aire and the Christmas lights went up.

And finally, the board will have agreed on a proposed budget by the time you read this letter. I just want you to realize inflation has driven prices up and our contractors are telling us they expect to be forced to raise their fees this year. All these things were considered as we worked on our proposal and attempted to avoid raising the monthly maintenance fee but as we continue to face rising costs of maintaining our community at some point our fees will need to be adjusted accordingly.

Happy New Year!
John Monser, President

Message from the Social Club

Ok now what month is it? I know I was just decorating my golf cart with Halloween decorations yet I know I cooked a ham for Thanksgiving. I did just put my Christmas tree up too but, what month is it? It seems that the time is going way too fast.

Didn't we just have a fantastic Thanksgiving Dinner at the Clubhouse? Turkey, potatoes, pie oh my. I can't seem to get control of myself today. I keep thinking of all the food we have at our events. Wasn't it just yesterday that we had all those donuts, fruit and Chicago rolls at Koffee Klatch?. For those that don't participate, you are missing out on some good food, good friends, good laughter and good entertainment.

Here I go again talking about food. Wasn't that food scrumptious for the Christmas dinner? Chicken Cordon bleu, vodka pasta, mashed potato, veggies and delicious cake? Oh, and that music. I was so busy playing photographer that I didn't get my dancing shoes on much, but I could see everyone else up there. The Sounds of Yesterday were top notch. We had door prizes and our Share the Wealth. Thanks to all who helped to decorate for those events. It doesn't take long when you have loads of people around to help plus it's kind of fun to be together and laugh.

Thanks to Vicki Mills and Mickey Stewart for heading up our Arts and Crafts Fair. We did alright and people seemed to be buying from our vendors. I think Paul wished that I would have stayed at home because he left broke. I'm a sucker for arts and crafts.

We are always looking for ideas and new people to help so if you are interested, please see me or one of the activities committee members. We have a lot of new people in the Village, and we would love to have you pitch in and help and get to know some of your neighbors and what a better way to do it.

By the time this has come to print we will have celebrated New Year's Eve 2022. Where did this year go? I have enjoyed working with the social club and getting things organized but I couldn't have done it without everyone helping from the Social Club and activities committee. Make sure you tell these people how much you appreciate all the work they do. We have a social Club meeting once a month, plus if you are on a committee, you might have another meeting or two while planning an event. BUT we have fun when we are all together. We are like family; we might not all agree on all things, but we always seem to work it out to the best for Gull Aire Village.

Happy New Year,
Peggy Allison
President Gull Aire Social Club

Newsletter Team

As 2021 comes to a close and the new year begins, I would like to thank the entire newsletter team for all of their help. Without the contributors, proofreaders and all the volunteer distributors our residents would not receive a monthly newsletter at their door. It takes many pairs of eyes and hands to make it all happen. Thank you seems so little to say for such a large contribution to our community. I look forward, with anticipation, to a new year of news and activities and working with you all.

VETERANS MEETING

Meetings, beginning in 2022, will be held the third Tuesday of each month at 6:30pm. This will allow those who wish to attend American Legion meetings held on the second Tuesday of the month.

Now that Veterans Day has passed, if you would like to get your name on the wall for next year, I have the forms. It just needs to be completed and returned with a copy of your DD 214. What an honor to have your name engraved on the Veterans Wall in Oldsmar. In addition, I am taking up applications for another presentation for the Quilts of Valor. We had a wonderful time at the last one and we were fortunate to have Katie Gannon, the past Vice Mayor of Oldsmar in attendance. Also, we had a surprise visit from the media. It was a very happy yet emotional day. If you are interested in receiving a quilt, please speak with me.

We are trying to line up speakers for 2022. If you know of anyone that you would like to have just let me know and we can check on arrangements. We also have some trips planned for the upcoming months. Those meetings when we do not have a speaker, we sit around and the veterans swap stories of their days while in the military. Sometimes we laugh so hard it brings tears to our eyes. Stop by at least once and get to know some of your fellow veterans. We have a great bunch of individuals.

Our next meeting is January 18th at 6:30pm. Remember the change to the third Tuesday of the month for future meetings.

ARCHITECTURAL GUIDELINES

The City of Oldsmar has recently gone through some changes with their permits. All Florida Building Code Permits for the City of Oldsmar are now being issued by Pinellas County per a new Interlocal Agreement effective Wednesday, September 1, 2021. The best way to understand what you need to do is access The City of Oldsmar web page to determine what is needed, then go to the Pinellas County web page for additional information.

John Monser, Bob Lytle and Peggy Allison have a meeting scheduled with the city to go over a few concerns about Gull Aire Village. They will be meeting with several departments to get a better understanding of these changes and how they affect us.

Thank you to all who have been completing applications whether they have been needed or not. For applications that have been approved, the homeowner is responsible to seek all necessary permits (and variances if necessary) from the City of Oldsmar. A copy of all permits must be submitted to the A/C committee inbox in the clubhouse prior to the commencement of the project. The original permit must be posted at the job site. Hopefully by the next issue we can relay to you more information from the city.

I HEARD IT AT THE POOL

Rumor has it that the Oldsmar City's December "Senior Luncheon", held for many years at the Rec Center on Pine Ave....was cancelled again this year due to COVID.

A reliable, unnamed source shared that this was a cost-cutting measure because the vast majority of those attending only used their City Rec Card for this event....and attended no other events. Sadly, probably more than half of the luncheon attendees were GAV residents....and the City always put on a wonderful event.

When the status of this event was asked about by the GAV resident Chairperson of the Leisure Services Advisory Board at their November meeting, the official response was that the luncheon will no longer be on the schedule. No specific reason was offered. IF you only purchase a City Rec Card to attend the Senior Luncheon.....you might want to save your \$5.35.

RUMORS.....about issues not people, whether heard at the pool or not, will gladly be investigated by the GAV Reporter. gavreporter53@gmail.com

Thank You!

We would like to thank each and every one who helped to make the Gull Aire Village 8th Arts and Craft Show a success. Without our volunteers it couldn't be done. It really does take a "Village" to do things right.

The GAV Holiday Arts and Craft Show is designed to present the talents of, not only Gull Aire residents but others as well, to invite nearby neighbors to see what Gull Aire is all about, and generally to provide a fun filled day. It is so rewarding when outsiders, vendors and visitors alike, remark that we provide one of the best small craft events and what a beautiful and friendly community that we have. Although not the main objective, we are also happy that we are able to add to the Social Club treasury through vendor table fees, raffles and 50/50.

A very special shout-out to Larry and Jeannie Stevens who provided live entertainment during the day and to Gene Henriksen our DJ and raffle announcer. Last but not least, thank you all who came to enjoy your coffee in the morning, your lunch at noon and to shop the many beautiful handmade items offered.
