President's Letter

I would like to begin this month's letter reminding everyone how fortunate we were to have hurricane IAN go south of us at the last hour. It could have destroyed Gull Aire Village had it stayed on the original forecasted path. Let this be a reminder to take all hurricanes seriously. So please always be prepared and have an evacuation plan. You might also take this time to review your insurance policies and make sure you have satisfactory coverage. For those in our state that were seriously impacted by IAN you can help them by making donations to local and state emergency relief funds.

The board recently requested a quote on adding a card access security system to the clubhouse and pool area. We have had people who are not residents enter the pool area and we decided to look at a way to limit access. There are many things to consider if we were to implement a card system so this is not something that will be done overnight but at a minimum, we will have an idea of the estimated cost.

The microphone/intercom system in the clubhouse failed during Bingo. Perry Burrignt took the receiver and microphones to the retailer where they were purchased and was told they could not be repaired. While at the retailers Perry was able to find a new system for less than it might have cost to repair the old one, so we are back up and running! Thank you, Perry.

As many of you know, we were forced to cancel the September monthly meeting because of hurricane IAN. I had planned to bring up some issues concerning violations of our rules at the meeting but with the cancelling was not able to. I will touch on three of them now in this letter. The rest will be addressed at the October meeting. I would like to start out by saying the ones violating the rules seem to be the same ones pointing out violations in others. There is a saying that goes like this: "Judging others is easy because it distracts us from the responsibility of judging ourselves." Let us focus on making sure we follow the rules so that they do not have to be changed. Here are the three violations: 1. Feeding of wildlife. It is not permitted in GAV so do not do it. 2. Smoking. You are to smoke in the designated smoking areas not in or at the side of the pool and cigarette butts are to be disposed of properly not left on the decking. 3. Pool Showers. The showers in the pool are for rinsing only not bathing. You are not to use soap in the pool showers. Thank you for your cooperation.

The spa as you may have heard has a leak and we think it is in the suction piping. Todd has been trying to isolate it and once he is sure where it is located, we will let you know. Hopefully, it is in a location that has easy access and can be repaired for a reasonable amount.

And finally, I would like to welcome back the snowbirds. You missed a long sweltering summer let alone hurricane IAN but you returned in time to enjoy great Florida weather! Welcome back!

John Monser, President

That's the way I feel about November. October was a busy month with the Pig Roast and dancing the night away. Ms. Sudas dancers and actors are always a pleasure to watch and great for our city. The golf cart parade was an excitement for the neighbors; they had to hear all the horns blowing. You have to say we do have talented people with great decorating skills. We finished the month with the scary, or you can say funny, Halloween Dance. Some costumes were quite amusing. My son teases me all the time that we are so busy that he has to get me back home because Arts and Crafts start at 6:30. I tell him it's ok, we have excellent crafters and designers so no problem

Has anyone decided to start a diet lately? I read November and December are the worst months to think about diets. I think living in Gull Aire it's any month. When we have events like the Horse Races, my oh my, it's a feast. Watch out for the next one and maybe before the races start you can sample some treats. Hopefully you will win some money while you are at it. Talking about food, we have our Thanksgiving and Christmas parties just around the corner. You **must pay** on time, by the deadline, in order for us to get a total count to our caterers. We always list the cut off dates. We hate to turn people away but if not paid by date given you will be removed from the reservation list. Diana and Alice graciously take time to keep things organized so please help out. Always check our bulletin board for the sign-up sheets. Also, with December just around the corner, be sure to check out our wonderful newsletter, the website and our Facebook page to see what's happening. Dinners, dances, ornament exchange, motorcycle parade, golf cart parade and of course the holidays to spend with families and friends.

Don't forget the Arts and Crafts fair. Mark it on your calendars to attend. You can purchase some Christmas gifts and also enjoy lunch while you are there. We also will be having raffles going on that day that you won't want to miss.

We are still looking for volunteers to help with the upcoming parties and if anyone ever wants to donate food for Bingo night or help cook let me know. We need new blood, so come try it out. You will have a blast with everyone.

**TO ALL NEW RESIDENTS OF
GULL AIRE VILLAGE**

The Social Club welcomes you and we hope that you will come to the many events we have to offer. Not only do we have dances, Bingo and Bunco, that many attend, we have some very healthy activities. Mary Etta Stearns teaches water aerobics to the beat of some of the best music and the laughter from the pool tells you it's a great time.

If water isn't your cup of tea, then you might try Jean Roman's Video Exercise class. She will help all the newbies that attend her class, giving tips on the movements and ideas that will help you. She is one top notch lady.

Now if you want a little more movement then join Sue Van Vessem for the line dancing. New dances or older ones, she always takes the time for you to learn. You will see her leading us at the dances too. Now if you need to slow things down, just to stretch and get some moves on, you might try Dianne Eisenberg's yoga class She also gets the Chair Volleyball people up and moving with abundant laughter.

Thank you to each and all of the instructors for their time and dedication.

These are just a few healthy and fun things to do. Don't be shy, just come on to the clubhouse and join in.

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Are Your Tie Downs Tight?

- Hurricane Anchors • Tie Downs
- Leveling • Blocking • Carport Tie Downs
- Stabilizing Devices • Roof-Over Strapping

- Replace Rusted Anchors • Add Anchors
- Longitudinal Stabilizing • Retro-fit to Current State Standards

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!

Veterans Meeting

There will be no meeting this month since Veterans Day is the 11th. I thought it would be better for everyone to attend the City of Oldsmar ceremony if possible.

I need the Honor Flight forms turned back into me so I can get them turned in. Also, I have submitted the Quilts of Valor requests and await word back on those. If anyone has a suggestion on a speaker or somewhere to go, please let me know.

Peggy Allison

Oldsmar Cares

Thank you to all that have been bringing food to the clubhouse for this great cause. Terry and Christine have been doing a great job bringing baked goods and bread on Thursdays and putting them on the table in the clubhouse for anyone to enjoy. Please remember to check your donated items for the expiration dates. We accept donations every day, but if you bring them to Koffee Klatch on Saturday you get one free raffle ticket.

This has been a great success for Gull Aire. Thank you so much. You have helped our own Gull Aire Village residents.

RAFFLE

The Veteran's Club is raffling off a wooden crafted American Flag with Est. 1776 on it. This was made and donated by our own Navy Veteran Dennis Strayer. We will be selling tickets through the Thanksgiving Dinner and the drawing will take place that night. The money raised will be graciously donated to the Gull Aire Social Club. You do not need to be present to win. Please put your name and phone number on any ticket purchased before turning it in for the drawing.

THANKSGIVING PET FOOD COLLECTION

Dear Residents,

The Paws-ativity Dog Group is sponsoring the Fourth Annual Thanksgiving Pet Food Collection on **Saturday November 12th**. We all know how lucky our community is to have survived the recent hurricane that destroyed other areas of Florida. This Thanksgiving especially, we all give thanks for the blessings we are so fortunate to have, and that includes our furry friends. Our annual collection is always highly successful, and we continue to increase our donations each year we sponsor the drive. We are always grateful for the support this community provides for this worthy cause. You never disappoint us.

Please feel free to drive by the Southwest corner of the Clubhouse area between the hours of **1:00 and 4:00pm on the 12th** with any food donations (dogs and cats) you would like to contribute for area rescue groups and Oldsmar Cares. If you are unable to come by, please call one of the numbers below PRIOR to the 12th and we will be happy to provide pick-up service for your donation. Thank you in advance for your continued support and contributions. We wish you and your families a safe and very special Thanksgiving.

Fire Department Needs our Help

While visiting the Fire Department this week, the Chief and Captain suggested that I let Gull Aire Resident know that if you have a special lock on your door, push button entry or any other special type of entry, into your home to please call them and give this information. If by chance, you have an emergency, they have this information stored into their computers and can use it for getting entry into your house. So please, call them as your first convenience and give them information they need. 813-749-1200. This could save your life.

Oldsmar Toy and School Supply Drive

We will once again be starting up the Toy Drive for Oldsmar and while at it add School Supplies to the list. We will start collecting in the middle of October and go through the end of November. Toys for boys and girls at all ages. The school supplies will be given to the teachers to hand out to students as they are needed. Let's make this a great Christmas for those less fortunate.

Also, in December we will be given a couple of families that are in dire need for items. I will get the information out as soon as possible. We can make these families happy for Christmas. Thank you for your help as always.
