FLORIDA ANCHOR AND BARRIER COMPANY

President's Letter

This month we have our annual meeting and residents will have the opportunity to vote to fill two vacant positions on the board. You can vote ahead of time via mail or in person prior to the start of the annual meeting.

The board will be repainting the lines in the RV lot to better define the spots and will replace the numbers which are missing in some of the spaces. The weeds have been removed and the lots look much better. However, someone dumped a water heater and a cooling unit in the RV lot off Salmon Court. Contractors usually haul these items away, so I hope they were not dumped by one of our residents. These two items will be disposed of properly.

The spa jets are working as they should, and we hired a leak detector company to see if they could find where the water was leaking. They were successful! A temporary repair has been done and we will discuss a permanent repair at a future meeting but for now the spa is back to normal.

With the start of a new fiscal year, I thought it might be a suitable time to briefly review some of our rules.

Pool badges. Residents are to have a pool badge anytime they are in the pool area.

Architectural Committee approval. Before you start any project check the AC guidelines. Guidelines and approval forms are available from the clubhouse.

Speed limit. The speed limit is 20 mph not 25.

Residency Requirements. No person less than 18 years of age shall be a permanent occupant in any of the units. At least one occupant in the home is to be 55 years of age or older and all occupants must pass a background check.

Motorhomes, RV's & Trailers. Recreational vehicles may be parked on the driveway or in front of the home for up to 48 consecutive hours for the purpose of loading and unloading or cleaning the same. Staying and sleeping in RV's is prohibited.

Feeding Wildlife. Feeding wildlife including fish, birds, and alligators around any of the ponds or common grounds in GAV is prohibited.

You can view all the rules online at gullairevillage.org

Thank you,

John Monser

FEBRUARY IS KNOWN TO BE FAMOUS FOR VALENTINES DAY

IS IT? My first thought when living in WV was Groundhog's Day. Would we see 6 more weeks of bad weather or was spring around the corner? I guess now it is Valentine's Day and we have a great Dinner Dance planned on the 11th. Make sure you sign up for that.

Talking about bad weather, I think we have had about enough of it this year. December was so cold I actually put on boots. Time to talk about the good warm months ahead. Pool parties, dancing at the pool, shuffleboard, and bocce ball. Don't forget we are always looking for people to play with. If you don't know how, we have excellent teachers.

So, what did everyone think of Red Skelton? Wasn't he amazing? I was lucky to see him twice in 6 months and it just renewed my heart to when I was younger and watching TV with my parents. Such a great feeling and show. Gull Aire is such a great and active place to live. The following week we had another fantastic pancake breakfast and then another fun Night at the Races.

With all our new residents and our snow-birds back in the nest please step forward and volunteer to help out. Not only is the pool a great way to make new friends but serving as a volunteer gives you another opportunity. Any of our activities can use an extra hand to help. Nothing is ever too hard but half the time it's laughter. We have some great activities planned for the upcoming months so there will be plenty of chances.

FREE 2023 GAV MOVIE "ESCAPE FROM MOGADISHU"

Dramatically constructed based on actual events: when civil war explodes in 1991 between rebel factions and Somali government forces under dictator Mohamed Siad Barre, rival North and South Korean diplomats are trapped in the capital city surrounded on all sides by what would emerge as some of the deadliest fighting of the conflict. With no aid from either Korean government- and no means of communicating with the outside world- the diplomats' only shot at survival may require uniting with bitter adversaries to escape. This movie has not been issued a movie rating.

ARCHITECTURE GUIDELINES

As of 12/01/2022 the GAV Board revised the Architectural Change Application.

The biggest change to the application is noted in blue on the application. It states "*I hereby acknowledge and agree that I shall be solely responsible for determining whether the improvements, alterations or additions described herein require City of Oldsmar permits and or variances. I also acknowledge and agree that the A/C shall have no liability or obligation to determine whether such improvements, alterations, or additions comply with city or county laws, rules, regulations, or ordinances.*"

We hope that each and every resident will do their "homework" and make sure that everything is in order before they start their project.

A CLUELESS MURDER

YOU MAY BE AN HEIR TO MILLIONS.

A known millionaire, Mr. Boddy is a man of great wealth, some of which you hope to gain in inheritance – but only if you are brave enough to attend the reading of his will. For while foul play was indicated in his death, the killer has yet to be brought to justice... and is likely to strike again!

WAS IT MRS. WHITE IN THE CONSERVATORY WITH THE CANDLESTICK? COLONEL MUSTARD IN THE KITCHEN WITH THE CLEAVER? OR PERHAPS PROFESSOR PLUM IN THE PARLOR WITH THE POISON?

As one of the deceased's confidants or family members, it is your help that is needed to piece together his mystifying death, all the while avoiding being the victim of yet another murder at the will reading.

Use caution in considering your involvement in this gathering, for as likely as it is that you will walk away with a great deal of inheritance, you are just as likely to not walk out at all!

Visit Granny's Attic

Saturday, February 25, 2023, from 8:00 am to 12:30pm

This is our big fundraiser for the year. It helps us keep the cost of dinner dances down and enables us to do some free events. So, if you have not attended one in the past, check us out. Please come and support your Social Club. Come for coffee, donuts, lunch, and meet your neighbors!

We are in need of small appliances, hardware, linens, lamps, kitchen items, jewelry, and other items. Go through your closets, cabinets, drawers, sheds and garages to see what you no longer need.

NO TV's, computers, computer items, books, Microwaves, plastic water bottles, please.

We will be having our Bakery Booth, Jewelry Booth, Cheer Basket & Raffle Baskets, Major Raffle, 50/50 drawings, Food, and much more.

We will be looking for all the great bakers for our bakery booth. So, get out your old recipes and dust them off. Bakery items can be dropped off on Friday while we are setting up or early Saturday morning.

Stop by in the morning for coffee and donuts and later for lunch or stay all day.

Don't forget to mail in your major raffle tickets that you receive with your Jan. newsletter or drop them off at Diana Lutch's home. If you did not receive them, let her know and she will get some for you. Please help us with this event by purchasing your tickets.

For pick-up of items to be donated to Granny's Attic, contact the shed manager Margo House at 203-240-0314

Thank you,
Diana Lutch, Granny's Attic Chairperson

BASKETS OF CHEER FOR GRANNY'S ATTIC

We are also in need of items for our raffle baskets. We will be having a Snack Basket, Kitchen Basket, Pet Basket, Beauty Basket, Baking Basket. We can also use Gift Cards. A list of suggested items is on the calendar stand and the bulletin board at the Clubhouse. A box will be put under the calendar for items to be dropped off or they can be dropped off at Diana Lutch's home. Do not put gift cards in the box. If you would like to get with some of your friends or neighbors and create your own basket to donate, we would greatly appreciate it.

LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
