FLORIDA ANCHOR AND BARRIER COMPANY

PRESIDENT'S LETTER

The board held a special meeting to discuss and vote on the Spectrum proposal. After reviewing the details of the proposal, we voted to approve it. I want you to know that this agreement in no way restricts you from choosing an internet or tv provider. You are free to choose whomever you want. The agreement restricts other companies from marketing their product in Gull Aire but not your choice of a service provider. This agreement could not have come at a better time. The money the community will receive from this agreement will help us with paying for a new roof along with some other projects.

The board has received four quotes on replacing the clubhouse roof. In order to make the best decision we will be scheduling meetings with each of the contractors to have them explain the details of their proposal. We anticipate selecting a contractor after we finish our meetings.

I want to thank the committees for their work these past few months. They have done a great job. The social committee has scheduled exciting events, the architectural committee has been timely in responding to requests and the orientation committee has kept up with our new residents. The board appreciates all you do!

It is a perfect time of the month to check around your home and see what needs to be done before the rainy season. Are you prepared for bad weather? If you go on a vacation, have you removed items from your yard that could become a projectile should we have strong winds? After seeing the devastation from last year's hurricane, it demonstrated how important it is to be prepared.

I want to welcome all our new residents. We are glad you chose GAV to be your home! If you have any questions or concerns, please feel free to reach out to any of the board members. I hope everyone enjoys their summer. Stay safe!

Letter from the Social Club

Summer is in full swing, and Gull Aire Village is hopping.

Floats in the pool was a fun afternoon with friends and the food was terrific. Thanks Peggy & Paul Allison and Karen & Randy Collinsworth for the fantastic job. We must do it again.

By the time you read this newsletter the Sock Hop will have had its day and I'm certain that Jayne Carver and her crew dazzled us with a fun atmosphere to dance the night away to the music from Tangent. But don't put those dancing shoes away we've got plenty of fun things ahead to keep you hopping, more hamburgers and hot dogs, Yankee Doodle Dandy, PJ's and potatoes, dancing, ice cream, board games and don't forget cocktail time.

Keep your Gull Air voice nearby to keep track of all those events and don't forget, to get on the Official Gull Aire Village Facebook page for all the updates and reminders.

See you at the next event.

Gull Aire Village Social Club President,
TC Hite

Last month in honor of Father's Day we took a look at some memorable "Dadisms". It looks like there might be some classic "Momisms" to tickle our memory. This gem was sent to us by Ruth Beale.

A neighbor saw my mother carrying heavy grocery bags from the trunk of her car to the house. The neighbor asked, "How did you get so strong?" Mom responded with, "By raising four dumbbells."

Thank you, Ruth for giving us this summer smile.
