## President's Letter

It is March and in Florida it is the time of year when the flowers begin to bloom, and the plants and trees come alive. It is one of my favorite months of the year as the temperatures are in the 70s and 80s and normally, we have plenty of sunshine. It is also the time of year when many of you will start outdoor projects. If you are planning to make changes to your property, remember to check our regulations and the Architectural Committee guidelines to ensure you are staying within the GAV rules.

The men's and women's saunas have a fresh look. We purchased and installed new sauna mats. Todd is working on repairing the men's sauna. It has been taking twice as long to heat up and while investigating the problem he found the incoming power line had overheated to the point it had burned the insulation and was a fire hazard. Hopefully by the time you read this article, if parts are readily available and we can get an electrician to come out and replace the wiring, it will be back to being fully operational.

We evicted a couple of people recently for not being over 55 years of age. I want to thank the residents who reported them. If a resident notifies a board member of a possible violation within the community the board will investigate it. Many times, though it appears to be a violation it has either been corrected on its own or it is simply not one. One example is we received a complaint that people under 18 years of age were living in a home on Pelican. When we went to investigate, we found they had been visiting but had moved out. On the other hand, we received complaints about people under 55 living in two other homes. We investigated and though we were met with resistance, we went through the eviction process and removed them. If you observe something report it and a board member will investigate it.

And finally, I want to thank everyone who has come to me lately with positive comments about the board. It is nice to hear good things! As you know board members dedicate their time to help keep GAV a beautiful place to live. We are not perfect by any means, but we do work hard and to receive positive feedback makes it all worth it.

Where has the time gone? This will be my last Social Club Newsletter to you as President. My time has ended, and a new President will have stepped forward. I enjoyed my time and hope I have brought you a smile, a little laughter, or a great time at the clubhouse. I came in knowing nothing about what to do but I think we had some great events. Family Feud, pool parties, silent auctions, pig roast, The Blues Brothers, Red Skelton, Senior Prom, the cake walk and several other great events. This is your clubhouse and I want you to come and enjoy it.

This year we will be having an election for the position of Social Club President. I will be stepping down as President. T.C. Hite and Dale Mathurin are running for this position and thus we will need to have a paper ballot count. I will accept the position of VP, Diana Lutch will accept the position as Treasurer and Kathy Marro will accept the position of Secretary. Please attend the meeting on March 7<sup>th</sup> at 7pm so that we will have a quorum for the voting. Gene Henriksen and Dave Pacheco have done an excellent job on the nominating committee.

We had a great turnout for the Valentines Dinner Dance and what a great time at the Murder Mystery. I guess we have some fantastic actors in Gull Aire. Great job and great show. Our own Jan Freeman is the author and kudos to all in the show from our author, actors and stagehands.

Moving on we have the St. Patrick's Day Dance. Bring your snacks and drinks and be ready to dance. Come out dressed any way.... but better wear some green or you might get pinched. This is a wonderful place to live, and this clubhouse is yours to enjoy. We have so many events throughout the year that you can join. Check out your newsletter and jump in.... and join in and have some fun. As I sign off, I'm always here to help in any way and so are those on the activities committee. Reach out and volunteer and mark my word, you will be glad you did because you will meet some of the best and friendliest people you have ever met.

Peggy Allison

**VETERANS NEWS**

Everyone is invited to the Gull Aire Village Clubhouse on March 21st at 6:30p to witness a wonderful Quilts of Valor ceremony. Joanne Shotwell from the Florida Chapter will be here to honor seven of our own Veterans. You may wonder what this is? What is a Quilt of Valor? A Quilt of Valor® (QOV) is a quality, handmade quilt that is machine or hand quilted. It is awarded to a Service Member or Veteran who has been touched by war. The Quilt says unequivocally, "Thank you for your service and sacrifice in serving our nation." This will be my 5th ceremony which I am so proud to have organized for veterans. It can be very emotional service and I hope you will join me as these Veterans receive their quilts. If you have any questions, please reach out to me. There will be refreshments afterwards and lots of pictures of quilts.

Thank you,  
Peggy Allison
