PRESIDENT'S LETTER

There were two items brought up at our last monthly meeting that I would like to address those of you that were not in attendance. First, parking around the clubhouse. A resident complained that cars were being parked overnight around the clubhouse without authorization. Our rules are clear, overnight parking at the clubhouse is prohibited. The board will check the cars/trucks at the clubhouse and make sure the owners understand our rules.

Second, speeding in the community. Another resident complained that people are not being careful when driving through our neighborhood. I would remind residents not everyone can hear or see you coming so let us be careful and drive accordingly. Just because the posted speed limit is 20 mph doesn't mean driving at that speed is always safe.

At the March meeting the board approved numerous items on the agenda. The pavers for the smoking area, to have the clubhouse floors stripped and waxed, to upgrade the pool lights to LED lights, and to resurface the spa filter tank. In addition, we recently requested a roof inspection where some problem areas were identified, and we are waiting for the final report. We also decided to investigate having the chairs in the clubhouse cleaned and are currently requesting quotes. As of this writing, the pavers for the smoking area have been installed, the clubhouse floor waxing is being scheduled, the spa tank resurfacing is expected to be done by April 11th, we have obtained two quotes on cleaning the clubhouse chairs and the lighting contractor has ordered the LED lights for the pool area!

Summer is fast approaching so I want to remind everyone we will not have monthly meetings in June, July, and August. Stay cool and enjoy the summer!

May Message from the Social Club

Well, it's time to begin our farewells to some of our fun friends and neighbors from the north as they migrate for the summer months. We have many great memories of the fantastic events from this past season. And the Gull Aire Activities committee will be working through the summer to think of and plan more exciting events for this coming year. We hope our part time neighbors will return ready to jump in and join the fun.

We would love to have some new faces join us on the Activities Committee, so give us a call and we'll give you the dates and times of the meetings. We have so much fun bouncing ideas off each other and making those ideas come to life.

The month of April is over, and we hope that everyone had a great Easter and celebrated with friends and family.

By the time this is printed we will have had our Aloha Party. I am certain the food was great, and the entertainment was energizing and fun. Hopefully there were many of you dancing and moving to the rhythm of the music.

In May, The Memorial Cook Out we will have an added bit of entertainment. As in the past we will be providing delicious Hamburgers and Hot Dogs. Then everyone will bring their favorite side dish to add to the grand feast. To top it off we will have some musical entertainment afterwards by our very own Chuck Vaught. So, get your cookbooks out, make up a delicious dish and plan on eating and visiting with friends and enjoy the music afterwards.

Keep your eyes open for more fun events. If you haven't already done it, sign up for the Facebook Official Gull Aire Social Club Event page. It's a great way to stay connected and know what's happening around the Village.

Hope to see you at the next event and at our monthly Social Club meeting on May 2nd.

VETERAN NEWS

First, I need to apologize about the last article in the newsletter. As we write the articles, we are writing a whole month ahead. Wires were crossed when the Mayor of Oldsmar was asked to speak at the Quilts of Valor presentation. He was one day ahead and showed up when they were having line dancing but they could not persuade him to participate. Even though I'm sure he would if he had the time.

Also, Charley Freeman was absent at that time and will receive his quilt at a later date and most likely at a Koffee Klatch. One name was omitted due to the timing and that is Dave Pachecho. For those that were able to attend the ceremony you got to see those beautiful quilts that were handmade and stitched for the five veterans that were present. Each was different and unique. I'm sure they will cherish them forever. As the summer months are upon us we will suspend the meetings until September.

If any veteran has moved into the park and is interested in getting a Quilts of Valor please reach out to me and I will give you the information and the form. I am starting a new group of veterans to receive their quilts. It takes almost a year for these lovely quilts to be made and set up so please if you know of a veteran of the park please let them know.

**GREAT TRUTHS THAT ADULTS HAVE LEARNED:**

- 1) Raising teenagers is like nailing Jello to a tree.
- 2) Wrinkles don't hurt.
- 3) Families are like fudge...mostly sweet, with a few nuts.
- 4) Today's mighty oak is just yesterday's nut that held its ground.
- 5) Laughing is good exercise. It's like jogging on the inside.
- 6) Middle age is when you choose your cereal for the fiber, not the toy.

GROWING OLD

- 1) Growing old is mandatory; growing up is optional.
- 2) Forget the health food. I need all the preservatives I can get.
- 3) When you fall down, you wonder what else you can do while you're down there.
- 4) You're getting old when you get the same sensation from a rocking chair that you once got from a roller coaster.

Shed Update....

From your shed manager -Rich Regan

Y'all know Granny's Attic is a premier winter fund raising activity. But did you know that this event is our biggest and most profitable!

I'd like to shed some light (no pun intended) on this event and its importance.

Each year Granny's Attic brings us all together as a community sharing and working together for our common good. Funny but there's a catch... sometimes we take for granted what we have and don't realize what we have till it's gone! Let's support Granny's attic and all our community activities for this and many other important reasons.

Here's how 😞

Donate...All your items donated are the resources for Granny's Attic's success. Our Storage is limited but not for smaller items. Please be willing to hold on to larger items till fall when we put up added temporary storage for Granny's attic. Also our woman/manpower goes up in the fall with the return of our precious snowbirds. Volunteers are always needed.

So thank you for your donations and being part of the success that Granny's attic brings.

Here are some names and phone numbers:

Mush (Mary) – 207-399-1611

Phyllis - 239-281-4818

Randy C - 727-543-0752

The social club board.

Rich Regan- 518-698-2692 Shed Manager

Remember...Items must be clean and in good shape. No major appliances, paints or solvents, gas grills, mattresses, or clothing.

Have a blessed summer and stay healthy. Aloha

Rich Regan SM

LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

Call today for a FREE Under Home Inspection

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
