## YOU'VE BEEN GHOSTED

In Florida October can be one of the best months of the year. The summer heat is gone, the hurricane season is ending, and the days are filled with sunshine. It is a great time to get outside and do a little yard work or clean up around your home.

If you were at the September meeting, you heard we received the check from Spectrum in the amount of \$121,400.00. This money came at a good time as it can go toward our new roof. The check was for us to allow Spectrum to have exclusive rights to marketing in GAV. It has nothing to do with your choice of service provider. You are free to select whomever you like whether it be Spectrum or any other internet/tv provider.

We also discussed drinks at the pool during the last meeting and the board explained the state rules on what is permitted. In short, at GAV commercial bottled water is acceptable at the pool's edge. No glass whatsoever.

The board responded to questions sent to them about owning more than two homes in GAV. There is some concern from a few residents that someone may buy up numerous homes and then rent them. They did not want to see GAV become a rental community. The board explained that this has not been an issue but if it became one it could be addressed at that time.

The issue of informing new residents of our rules and regulations was also discussed. It was decided that along with hard copies of our rules and regulations new residents would be provided with hard copies of our covenants. This should help cut down on unintentional violations. Check out the meeting minutes online if you want to know what else was discussed.

I see our snowbirds are returning. Welcome back! Hope you enjoyed your summer.

## Social Club News

It's hard to believe that Labor Day is already passed. Time sure flies by. The saying "The older I get the faster it goes" sure is true.

We have had some really fun times this summer and this past September was full of fun events. By the time this letter gets in the newsletter we will have had plenty of yummy meals and tons of fun. The Black Cat Dance with Bill Casner and Bobby Palermo, I'm certain was a night of laughs and great music.

Our volunteers never quit. They are awesome and I hope that you will all thank the people that you see busily working around here all the time. They are the driving force that makes all these activities so fun and allows Gull Aire Village to be such a great place to live.

October is gearing up to be a great month as well. We have so many fun things planned. Don't forget we have one night of laugh's galore with our fun Comedian Leesah Stiles. And I'm positive the Halloween Dance will be one for the books. I heard something about a scary Mansion. ?????? Be careful out there.

Our Cocktail Times have been going well and we hope to see more of you joining us as the year goes on.

Please keep your Gull Aire Voice handy to keep track of all the events that are planned. And don't forget to check out our Official Gull Aire Village Facebook Page. All the sign-up sheets are always on the Bulletin boards so check them out when you stop in the Clubhouse.

Hope to see you at all the events.

## Evening Pool Aerobics

Hi all! We have started an evening Water Aerobics class, and we would love for you to join us! A little about me.....I am fairly new to Gull Aire (less than a year), work full time, am pretty social and enjoy making new friends! I need to strengthen my knees so that I can add more cardio to my personal routine in an effort to lose weight and avoid knee surgery! So, I decided I would try to lead a class in strengthening, balance and a bit of cardio. No experience necessary and a "judge free" zone!! If you think this is for you, please join us on Monday and Thursday evenings at 6:00pm. Hope to see you there!!

There will be a Gull Aire Veterans meeting on October the 17th at 6:30pm. This will be our first meeting for the fall of 2023 and will be very informal. We will start with a little introduction and let you know about a certain recognition we are working on. Also we will be starting a new list of Quilts of Valor Honors recipients. For those that are not familiar with this please attend this meeting to find out about these lovely quilts. Join us at the clubhouse for loads of laughter and friendship. This club is to provide information but also just to be with your fellow veterans. If you have any questions, please contact me so that I can provide any additional information.

Every minute someone leaves this world behind.  
 We're all in "the queue" without knowing it.  
 We will never know how many people are ahead of us.  
 We can't move to the bottom of the row.  
 We can't get out of line.  
 We can't avoid the queue.  
 So while we wait in line.  
 Make the moments count!  
 Make priorities.  
 Make the time.  
 Let your qualities be known.  
 Make people feel important.  
 Make your voice heard.  
 Make big things out of small things.  
 Make someone smile.  
 Make the change.  
 Make love.  
 Make Peace.  
 Get it together.  
 Make sure you tell your people you love them.  
 Make sure you have no regrets.  
 Make sure you're ready.  
 Very true.  
 Live life and let live, enjoy, be grateful,  
 don't waste time arguing,  
 fighting in doing bad things life is short,  
 live it,  
 be humble,  
 love yourself and be happy with what you have.
