HOA PRESIDENT'S LETTER

Happy New Year! It's hard to believe another year has come and gone. With a new year comes the time to elect a new board. As it stands now there could be three open positions. I encourage anyone who might have an interest to apply. Candidate Interest forms will be sent out soon, so consider applying.

The board met with the St Petersburg's group on the water pipe replacement project, however as of the writing of this letter I still don't have much new information. Once we have all the relative facts, we will schedule a meeting and have a presentation covering the project. You will be able to ask the city officials and the construction manager and his team questions at that time.

Keeping our utility costs down is a never-ending battle. However, there is one thing you can do to help. If you adjust the thermostats in the clubhouse for an event, be sure to set them back afterwards. Too many times recently we have found them set lower than the normal 75 degrees and no one is in the clubhouse.

I know I have mentioned it in the past, but it needs to be stated again. Our rules prohibit the feeding of wildlife. When you feed wildlife, it builds dependencies plus human food is not healthy for animals. It can also attract unwanted predators into the community. So please don't do it.

I mentioned it at the November meeting but so you all know Stewart replaced the batteries and the pads in the AED (defibrillator) by Alice's office. We had a few people notice it was not on the wall and were concerned. It is back and ready if needed. If you would be interested in training on how to use the unit let one of the board members know and we will see about scheduling a class.

John Monser

Architect Committee (AC)

Welcome to all the new residents and all the snowbirds who have flown back. I want to make sure that everyone knows that all the rules and regulations are on the Gullairevillage.org website. If you are in doubt about what you can or cannot do, on the outside of your property, this is the place to start. The AC tries to work with you to make your property the way you want within Gull Aire guidelines. Remember that the City of Oldsmar and Pinellas County also have guidelines that must be followed. You will find the applications that need to be filled out and submitted to the AC. We try to get back to everyone within a week if possible. At any time you have any questions, please contact any member of the AC to help. The members of the committee are: Carl Foley, Jill Kauss, Sherri Page, Maryann Sieminski, and Peggy Allison. Let's all work together to make Gull Aire Village a great place to call home.

Social Club

Happy New Year everyone. Hard to believe we are now in 2024. Time flies when you're having fun and in Gull Aire Village, we are always planning some exciting, fun filled event.

We had a great 2023 with tons of fun events.

Kudos to all our volunteers throughout the year. Without you, we would be sitting home twiddling our thumbs trying to figure out what to do.

This past December was jam packed with all our regularly scheduled classes and events plus the Christmas Caroling, the special treat of Music at our Koffee Klatch, The Ornament Exchange, and the Golf Cart Parade. To end it all and bring in the NEW YEAR, the right way, we had a great New Years Eve extravaganza.

Moving down memory lane brings one very special event that happened this past year. The fun packed murder mystery, "The Clueless Murder" was certainly one of my favorite memories. It was so much fun that we're going to revisit that event this month. Look for the info printed in this newsletter. I overheard that some of our favorite characters may show up. I wonder if that two timing, murdering boyfriend of Ms. Lavender will be there. He probably found a way to get out of prison.

It would be fun to sit around and talk about some of 2023 Highlights, maybe we can do that soon at one of our upcoming events. Music at the Pool with Brad & Chuck may be a perfect time to enjoy the evening and reminisce about our favorite events from last year.

Watch the bulletin board, newsletter, and the official Social Club Facebook page for what's coming up next. And don't forget we are open to having more of our neighbors join the fun in the planning of these events.

See you all soon and I truly wish you all a Very Happy, Healthy New Year!

TC Hite, Social Club President

ATTENTION

By law changes have been posted on the bulletin board since December 1 for your review. The voting for those changes will occur at the January Social Club meeting.

Evening Pool Aerobics

Hi all! We have started an evening Water Aerobics class, and we would love for you to join us! A little about me.....I am fairly new to Gull Aire (less than a year), work full time, am pretty social and enjoy making new friends! I need to strengthen my knees so that I can add more cardio to my personal routine in an effort to lose weight and avoid knee surgery! So, I decided I would try to lead a class in strengthening, balance and a bit of cardio. No experience necessary and a "judge free" zone!! If you think this is for you, please join us on Monday and Thursday evenings at 6:00pm. Hope to see you there!!

There will be no veterans meeting in January due to the fact that we should have welcomed twin granddaughters in December and will be spending time with them. IF, things should change by then I will put something out on Facebook and or a note in the clubhouse. I hope that everyone has joyous holidays, and that Santa was good to each and every one of you.

An Invitation

On the following page you will find a flyer inviting you to an Oldsmar Community Dinner, a collaboration of Oldsmar Cares and Harbor Dish in Safety Harbor. Many of our friends and neighbors are volunteers with Oldsmar Cares and Gull Aire has regularly supported them with food drives and other projects. You may not be as familiar with Harbor Dish, **a non-profit organization that transforms donated food into refined cuisine** and serves 20+ nonprofits in Pinellas County, including Oldsmar Cares. For the last few months my husband Jon and I have volunteered with Harbor Dish, picking up surplus food from a local restaurant and serving at the Harbor Dish Café at Safety Harbor's Third Friday events.

Starting in November the organizations offered the first free Community Dinner to the Oldsmar community. We attended this first dinner along with a few other Gull Aire residents and were delighted with a wonderful meal and the opportunity to meet with others from neighboring locations. The meal was prepared in the Harbor Dish kitchens by volunteer chefs and transported, hot and tasty, to the dinner. It is the plan to hold a dinner once a month and provide information about services available through these organizations and others in the community. This month a speaker will offer information about Estate Planning.

I really encourage you to participate in this generous endeavor. Find out what these organizations have to offer, and you might also find out what you might have to offer to them and others in our community.
