GAVA President's Report December 2017

Ken LaMarca

We had our first Board of Directors meeting since the spring in October. Because of the time that lapsed between meetings, we had many topics on the agenda. We managed to get through most items and decided to table a couple for our next meeting. Below are some of the highlights of the meeting:

Bonnie Theal has done extensive research as it pertains to our 15 MPH speed limit. Many vehicles don't adhere to the limit and she is trying to find out if it is enforceable by the Sheriff's department. More information to follow.

The board authorized \$275 to repair the speaker system in the back half of the clubhouse.

The board authorized \$300 to purchase and install two additional security cameras. We had the capacity in our system to add two more. This will give us better visibility in the front of the clubhouse.

A request was made for five additional 8ft tables for the clubhouse. The board assigned TC Hite to work with the social club to determine the specific need.

We have one pool umbrella that was damaged from hurricane Irma, a request was made to repair, paint, or purchase new umbrellas. The board voted to table this request till our upcoming budget workshop.

Letter from the SOCIAL CLUB

Hear that breeze? No, that was not Irma. That was 2017 rushing by. They say that time flies when you are having fun. I guess that means we at Gull Aire Village had a lot of fun this year. With all the parties, games and a vast variety of shows we never slowed down.

The Gull Aire Social Club activities committee is hard at work planning a vast array of activities sure to please everyone. Things like a night with a couple of acts not seen before, Bingo Extravaganza, different dance themes with new music groups, dinners, our winter cruise. These are only a few of what is planned. Providing a variety of entertainment for your pleasure is our only goal. We want you to be happy and proud to live in Gull Aire Village.

2017 will end with a full month of activities. It starts on the 1st with the lighted motorcycle parade. The Greg Jaqua Show on the 2nd. Don't forget our Christmas Ornament Exchange on the 9th. It will be a fun afternoon. December 16th will be our Christmas Dinner and the Golf Cart Parade following on the 17th. This is just a partial list of what is planned. 2017 will finish with our New Year's Eve party, always a great night. (Perfect excuse for letting loose!!!)

All good things must come to an end, so this is my last letter for 2017. Don't get nervous though, I will be back next year. (*Or maybe you should!*)

As always, keep checking the bulletin board and now the calendar on our web site for any additions or changes.

Merry Christmas and Happy New Year!!

Our season began Nov. 6th as we welcomed several new players. If you would like to play, you can still sign up – call, or there is a sign-up sheet at the courts. You don't have to be an expert player; all new players are welcome.

Schedule for December is:

Dec. 4 & 6 - at Embassy

Dec. 11 & 13 - at Home (Cedar Creek)

Jan. 1 & 3 -- at Home (Serendipity)

Note: No play week of Dec. 18 and 25th (Christmas).

I will post wins/losses for each week (note: my computer keyboard will accept only the figure "0" in the "lost" column!!). Seriously, we have fun playing, win or lose, and have met a lot of good friends playing at other courts, and they at ours. WE practice every Thursday at 10:00 AM. Come join us for some fun and friendship.

LIGHTED CHRISTMAS MOTORCYCLE PARADE

FRIDAY, DECEMBER 1st
7:00 pm

The SL1M Goldwing Chapter Lighted Motorcycle Group will again be riding around the park. They will be lining up at the clubhouse at 7:00 pm and then head out at 7:15 pm. Come up and cheer them on or be ready when they come down your street. If you have never seen them they are just great to see. They are really decorated beautifully.

Following the parade come to the clubhouse to view the motorcycles up close and meet the people who decorate them.

Refreshments will be served.

A TRIBUTE

I was out in Utah with Rhonda when we received the call about Dotty Sandin passing into eternity. Ah, the marvel of the cellphone, one of the many conveniences we take for granted.

Not to be taken for granted were the 37 years "Dazzlin' Dotty" graced our Gull Aire Village. GOD granted Dottie a rich life of 100+ years. We are now left without a surviving founding member of our village. Dotty and her smile will certainly be missed. She was invaluable to me as a rich font of historical information when I was researching the annals of Gull Aire Village a few years back. Warm thanks to her family for sharing Dazzlin' Dotty with us!!

BOCCE SEASON

Bob Rose

The Fall/Spring Bocce Season kicked off on September 16 with the scheduled days on Mondays, Tuesdays, and Thursdays at 1:00. We still have openings on Mondays and Tuesdays. If you would like to spend a nice afternoon with your friends and neighbors, please contact me and I'll try and get you on a new team.

By now, you should have noticed the Bocce Courts have had a fresh face lift. The courts have been refreshed after all the summer rains and the hurricane. The Court benches have been restained, all the other benches, tables, and planters have been pressure washed, painted with a coat of primer, and a new fresh coat of white paint. I would like to extend a thank you to the volunteers who helped. Joe Amendola, Gerry Actil, Gary Camp, and Milos Vujanovic who showed up to make it happen.

The current plan is to close the courts from December 18 through the end of December to put down several skids of HarTru. This will renew the courts surfaces. This process needs to be done during the non-rainy season and will require spreading, leveling, and rolling the HarTru. Once the material is down, the courts will require a number of controlled watering followed by rolling the wet courts.

I need some volunteers to help make this happen. Weather permitting this will be Monday December 18. Please contact me (Bob Rose) at 727-439-4380

CIVIL WAR ROUNDTABLE

Civil War Round Table meetings occur on the second Monday of each month at 11:00 AM in the Clubhouse. In deference to the holidays, there will be no December meeting. Our next meeting will be Monday, January 8, 2018 at the Clubhouse.

“I HEARD IT AT THE POOL”

CANS THAT CARE

We would like to thank everyone for donating their cans. We continue collecting every Tuesday Night at 5:30PM.

We can accept ALUMINUM cans only, for example, soda, beer and cat food. Please place your donations in a separate bag and place at the end of your driveway. While at the pool or attending a clubhouse function, deposit your cans in the receptacle labeled for “cans” only. There is one located inside the clubhouse and another on the pool patio for your convenience. PLEASE, PLEASE, do not put any trash in the bag as we have found unacceptable items (even a soiled diaper). We ask your consideration as we must hand transfer the cans to the container when we redeem them.

Remember the money collected for recycling your cans is donated to Oldsmar Cares on behalf of Gull Aire Village.

Thank you
Walt and Mickey Stewart
192 Blue Marlin Dr.

Heard that our good fortune in being protected from major damage during our near miss with hurricane Irma was since our Gull Aire Village is sacred ground, such as in Indian burial grounds and the like. This can't be true can it?

RESEARCH: Intense (insert long groan here) research has uncovered some validity to this pool tale. Our fair city of Oldsmar was once home to some Tocobaga Indian villages. There were some burial mounds over in the Mobley preserve area back by where the old power plant stood, at the very end of Shore Drive. While the Tocobaga peoples were gone from this area by the early 1700's, those mounds survived until the 1930's or 40's but were then destroyed. Florida Power nor Duke Energy has never allowed anyone to dig or research on their 200+ acres that once housed that power plant. Numerous other villages were within what is now Oldsmar, including the part that is now Gull Aire Village, but not necessarily burial grounds. I'm not sure that is where our protection came from.....but.....there's the story.
