GAVA
Board of Directors
President's Report

The board of directors conducted a special meeting in April that focused on our financial planning strategy for the next five years. The meeting was held as a workshop, the board as well as residents in the audience took part in identifying some key initiatives and needs that face our community. In the end the board voted to allocate future reserve fund monies to the following projects:

2017 – The board voted to address an immediate need. The clubhouse roof has been leaking and has met its life expectancy. Various roofing contractors inspected the roof and determined that a new roof was needed. After receiving multiple bids, the board allocated \$32,300 for a new roof.

2017/2018 – The clubhouse lawn. Much discussion centered around the condition of the lawn around the clubhouse. This communal area is the focal point of visitors that enter our community. Lack of water and the means to produce water on this area has taken its toll. We will be considering possibly a well, irrigation, and sod.

2019/2020 – Storage. For some time now we have been dealing with ways to create space for our storage needs. We have various closets and sheds that are constantly full. The sheds we have on our property need repair. Instead of adding temporary storage, we would be looking at eliminating our sheds and constructing one building that would satisfy our needs for years to come.

I would like to thank those that provided input during this exercise, especially Maryann Sieminski and Mickey Stewart who did extensive research regarding solving our storage issues in the future.

Board Liaison Concept –

In an effort to maintain better communication, direction, and accountability, the board has initiated a liaison contact for each committee/group in our community. This will allow the groups to have one point of contact which will be their “go to person” on the board. This will streamline the process, as well as eliminate confusion, when getting direction from more than one director. The liaison will keep the board informed and always look for approval from the entire board for any decisions.

Social Club President's Letter

I can't believe it is already June. Boy, time flies when you are having fun! And fun we do have in Gull Aire Village. With everything we have going on who has time to watch TV. (Or take naps).

The Cinco de Mayo party was a great success. The food, the music, the good fellowship, what a great time. A big **THANK YOU** for all those that made it happen.

We have some changes to our Bunco schedule. For May, June, July and August Bunco will be played on the 2nd and 4th Monday at 7:00pm. It will not be played on game night.

A special birthday party is being held on June 25 at the club house. It is Dotty Sandin's **100th** Birthday. George and Sonia Kuperis are extending an invitation to all Gull Aire Village residents to drop in and help make this a very special day for Dotty. See the invitation posted in this newsletter.

Big news, not as big as turning 100, a cruise is planned for February 25, 2018. This will be on the Royal Caribbean *Allure of the Seas* out of Ft. Lauderdale. The group price includes all port charges, taxes and the transportation by motor coach to and from the ship. This price is a great group rate. I suggest you book early so as to get this rate. If you wait too long the rates may go up. If you reserve it now, Accent on Travel will keep watch of the prices. If they go down, you will be rebooked at the lower price. If they go up, you keep this lower price. See the brochure posted in the newsletter. The *Allure of the Seas* is a large ship with many amenities to enjoy. You can pick up a reservation form at the club house or call me and I will get one to you. If you want I will also be happy to bring your completed form to Accent on Travel or you can bring it yourself. Please book early and join us for a fun time on this cruise.

Please check the bulletin board for up-coming events and any changes. As always, we are striving to make Gull Aire Village an exciting and fun place to live.

Thank you, and keep having fun.

Dale Mathurin

A HISTORY MINUTE

Did you know that our town's founder - Ransom Eli OLDS -was also the President of the Oldsmar State Bank for the brief time he was in Florida? Mr. Olds served as the town's bank President until he departed....sometime around 1925. The building he constructed to house the Oldsmar Bank is still standing, and is currently used by the Oldsmar City Council, the Oldsmar Historical Society, and the Upper Tampa Bay Chamber of Commerce. In 1919, shortly after the bank opened, the kindly Mr. Olds opened an account for each child in town.....in the amount of \$10 ! While there was a sparse population living here at the time, the gesture was one of a by-gone era that is unheard of today.

- *Historical tidbits about OLDSMAR can be discovered at the Oldsmar Historical Society - 101 State St across from City Hall. Open from 10A - 2P on the first and third Tuesdays during the summer months of June, July, and August -*

On a very sad note, our President and Captain of the "A" Team, Dave Murray passed away on May 6, 2017. He was truly a good friend to everyone who knew him and he considered everyone his friend. Our deepest sympathies, thoughts and prayers go out to Barbara, his wife and his entire family. He will be missed.

TAI CHI CLASS – starting June 19th

In order to present an effective and personalized program, the instructor advised me that the class size should only be 18 students. (I convinced her we could probably accommodate 20). As a result, some residents had to be put on a WAIT LIST for the next session sometime after the holidays.

Those residents who **WILL** be attending the first class or who are on the **WAIT LIST** have already been notified.

In all fairness to those on the "wait list", we cannot accept any resident who just shows up to attend the class.

Thank you for your understanding.

I would like to thank Maryann Sieminski and the entire Newsletter Team for completing the May issue of the Gull Aire Voice. I must say we enjoyed our vacation but especially so knowing that our newsletter was in capable hands. It certainly proves that this is not a "one person" operation but a complete team effort.

Just a couple of reminders: For anyone who is responsible for an activity, the newsletter deadline is the 8th of the month (and always appears on the cover page of the NL.) If we have not received correspondence from you by that date, the event will be listed exactly as the previous month. When sending changes, please proof read carefully for correct dates and times. I am on a tight schedule to get copy to the publisher and we are spending a lot of time verifying information.

Thank you,

Kickie Miller

GAV CLUBHOUSE MOVIE

JUNE 11, 2017, 2:00 PM

"THE SECRET LIFE of PETS"

Do you wonder what they do all day especially when you're not home? You'll never look at your pets in the same way again. Comedy superstars Louis CK, Eric Stone Street and Kevin Hart make their animated feature film debut that finally answers that question. When owners leave for the day, pets from their building gossip with their friends, satisfy their sweet teeth and throw outrageous parties. See what happens when a pampered terrier and his unruly roommate gets lost in the urban jungle of New York city. This film is very cute and will put a smile on your face and is rated "PG".

NOTE: You may bring your own comfortable chair or use the existing clubhouse chairs. As usual free popcorn will be provided.

I HEARD IT AT THE POOL

Heard about this GREAT "private online network" called *Nextdoor Gull Aire Village*. This website must just be for us here in GAV and it's all about items for sale....safety concerns....service provider recommendations and much more. This IS a great site....isn't it ?

RESEARCH.....This "social network" is being offered thru a Bulk (junk) Mailing Permit from a Minnesota Zip Code. The return address is "Gull Aire Village Neighbors", which leads one to believe that this is coming from GAV.....or at least someone local. The invite lists various names of people with GAV addresses as the one "inviting" you to join. BEWARE.....NO one in GAV has given permission for their names to be used in this manner.....and this "network" appears to use shady advertising means to garner personal information. When using this network your posts are seen by many surrounding neighborhoods and not just Gull Aire. By joining, your name and personal information can be used in places you might not want it shared etc. It is your choice but, as always.....diligence is the key !!

RUMORS about issues (not people) can be investigated by our Crack Reporter. Send your concerns to GAVcrackreporter@gmail.com

Did you know...

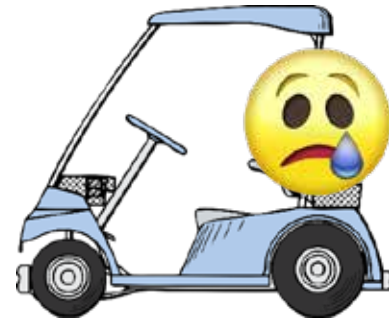

LORRAINE ALBERT works in the kitchen for the Village Café. You can find her at the sink doing dishes and keeping everything running smoothly. She also helps with Koffee Klatch.

Lorraine loves to play bingo, Skip-Bo cards and does crafts every Tuesday with four of her friends. She walks the canal with her brother Uncle Dick and bird watches when enjoying the view of the canal behind her house.

Baking cookies and pies is a favorite activity as is knitting too. Lorraine will be 95 in June and is an amazing lady! She has passed along her sense of getting involved and helping out to her daughter and son in law **JOY and CARL LAFRANCE**. Joy was one of our shed sisters and Carl keeps McMullen Booth litter free from the hospital to Curlew Road on both sides, just to name a few things they do. A family of kind, responsible, caring people! We are so fortunate to have them as neighbors!

In this feature article, we would like to showcase the wonderful things our residents are involved in. If you know of someone in the village who is helping others, volunteering, or doing things to benefit others, please contact the newsletter team. We'd like to highlight their efforts! All submissions will be considered.

ENDANGERED GOLF CARTS

The City of Oldsmar has granted Gull Aire the **PRIVILEGE** of using our golf carts and a lot of our residents enjoy the luxury of riding thru the neighborhood or to the clubhouse. However, there are some residents who are endangering this convenience.

As summer approaches, grandchildren will be visiting, but they **DO NOT** belong behind the wheel of a golf cart – whether driving it or sitting on your lap. This is a violation of Article IV, Florida Code of Ordinances, Section 66-105. This ordinance states “**ALL** persons operating a golf cart (and that includes your grandbabies) must be in possession of a **VALID DRIVERS LICENSE**”. And what “intelligent” grandparent would risk injury to a toddler by placing them on their lap while driving – would you do that in your automobile?

During the school spring break, there was a golf cart with 2 passengers riding in it and 1 young boy standing up in the back – there were no rear seats on the cart. He was just standing up and hanging on while they were driving thru the village. Under section 66-110 of the same Ordinance, it states “**it is unlawful for any occupant to stand at any time while the golf cart is in motion**”. Also in that section it states “**it is unlawful for a golf cart to be operated on city sidewalks**” and the owner **MUST** have liability insurance against personal injury and damage to property relative to the operation of golf carts on designated city streets”.

So, what is all the fuss about – the City has made it very clear that violations of the Florida Codes will result in **rescinding the golf cart designation FOR THE ENTIRE COMMUNITY – not just that driver!** The next time you witness a violation of these codes, mention to them that, in addition to breaking the law, they are putting the entire community at risk.

Neighborhood Watch

"Trying To Keep Our Neighborhood A Safe Place To Live"

Subject: Watch Out For the Alligators !!!!!!!!!!!

Hello Everyone,

Just thought I would drop a note and let you all know what we came upon on our neighborhood watch patrol last night.

At Tarpon Lane & Canal Way, on top of the storm drain, was a huge alligator. I almost hit him it was so dark and all of a sudden there he was. He was at least 6ft. in length. We called 911 but while waiting for the deputy and a trapper to arrive, the gator stood up and walked across the road and went back down into the spillway probably where he came from. We notified the Sherriff's office and, although deputies were dispatched, they cancelled the trapper. The gator was gone.

If you are walking your dog, riding your bike or just out after dark, please be careful and on the lookout. We haven't had any rains and all the ponds, spillways, etc. are dried up. The gators come out for water and can be found in the storm drains. Also, with garage doors open you just might find an unpleasant surprise.

One thing I must say when we need a Sheriff we have the best, they are here in no time. So don't be afraid to call 911 for an alligator.

We also talked to the deputy last night about kids running around in here at night. A couple of nights ago we came upon 4 teenagers (3 girls 1 boy) in a car at the clubhouse at 11:30 at night. I questioned them and they said they were going swimming. I said the pool is closed at 11:00 and I ask them if they lived in here. They said her grandmother did but couldn't give me a name and started laughing. I told them to leave and out the entrance they went. The sheriff said if you see any teenagers in here and they do not belong, call 911. He said they are the ones that are stealing cars in the area. Teenagers in Gull Aire at night, when they aren't supposed to be, are up to no good.

Thank You Kindly
Jane & Jimmy
